

# Norwalk Catholic School St. Paul High

January 11, 2021

Flyer Families,

Norwalk Catholic School (NCS) was recently made aware of a positive COVID-19 result. This individual did not come in close contact with anyone at school. Please keep this individual in your prayers. All of us at NCS are dedicated to providing a safe environment for everyone.

The chart below indicates the current number of known students or staff currently with COVID-19 at NCS. **Individuals released by a health department have been removed from this chart.**

Current Known COVID-19 Positive Cases as of January 11			
	NCS Early Childhood Center	NCS Elementary	NCS Jr. High/St. Paul High
Students	0	2	1
Staff	0	1	1

We strongly urge everyone in our Flyer Family to self-monitor for symptoms. Through monitoring, isolation, testing, engaging in COVID-19 safe precautions in public, and open communication we will be able to make decisions that keep our Flyer Family healthy and safe.

We will continue to communicate with our Flyer Family as information is available. We are stronger when we communicate and work together. Please review our website with a copy of the recent COVID-19 communication as well as a chart indicating current positive cases. [Click here](#) to see the page.

We are a community of faith. We are at our best when we work together and pray for one another. I ask all of you to continue to support and pray for each other.

Stay safe, stay healthy, stay positive.

Martin Linder  
Norwalk Catholic School/St. Paul High School  
President
