*BETTER MC2 – PROJECT 2020*  
January 2021 Community Update

Please see the below information related to the BETTER MC2-Project 2020 progress!

---

## JANUARY 2021

The New Dish room (twice the size as the old one) to the LEFT;

The NEW kitchen below!

The SPACIOUS and modern Cafeteria-Commons Area to the left!

It's a large and beautiful area that provides ALL students with a comfortable place to eat!

*BETTER MC2 – PROJECT 2020*

January 2021 Community Update

The next few PICTURES display the **brand new 16 feet by 9 feet full digital scoreboard!** This was made possible through partnership/support from the Milan Athletic Booster Club, Smithfield Foods and other sponsors!

It is the **CROWN JEWEL** of scoreboards in **NORTH Missouri!**

Above is a picture of **LIVE game footage** in the Old Gym;

Left – is an example of what the **SCOREBOARD** would like if/when a game is in-action!

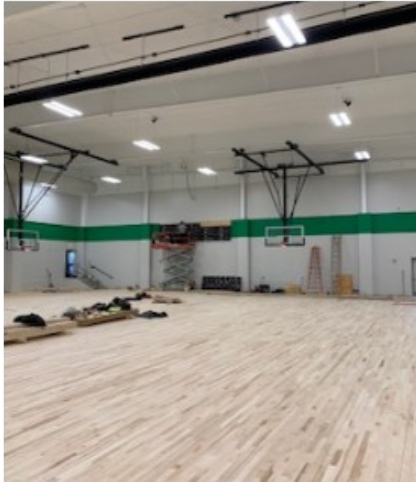

The right shows the end of the **FULL DIGITAL** scorer's table! It will allow digital scores and other aesthetic displays during use and competition! Again, made possible through the MABC and other sponsors!

January 2021 Community Update

A full facing NORTH viewpoint of the  
NEW gym!

RIGHT - a complete compilation of the entire  
scoreboards and scorer's table! These  
provide STATE OF THE ART equipment for the  
honoring of student athletes!

The left shows the traditional  
scoreboard that is mounted on the  
south side of the NEW GYM!

## **SUMMARY**

The project is coming closer to completion and the evidence is CLEAR!

Remember, this project is/was a part of the Milan C-2 School District's **Long-Range Master Facility Plan (LRMFP)** and began in 2016. The plan is a compilation of three (3) phases, each phase is approximately five (5) years in length and consists of NEW CONSTRUCTION and RENOVATION components. The RENOVATION component of the 1<sup>st</sup> Phase included new windows, tuck-pointing, new HVAC system, new doors-floors in the High School building, etc. The NEW CONSTRUCTION component or commonly known – ***BETTER MC2 Project 2020*** includes four (4) foundational priorities – listed below in ORDER of importance:

1. Improved SAFETY – by moving all students/classes into the connected building – providing a safe/secure environment;
2. Improved FOOD SERVICE environment – providing a spacious Cafeteria-Commons Area and a state-of-the art kitchen!
3. Improved LIBRARY-MEDIA CENTER – providing ALL students with a Large/Modern area to research, read, study, etc.
4. Improved Competitive gymnasium – providing for 950 to 1000 spectators – full HVAC and a separator screen for multi-use!

All things considered, the physical improvements at the Milan C-2 School District are quite comprehensive! This work is not something that is ever “Complete”, we are always evolving and preparing to improve the environment for our current students and future students!

If ANYONE would like to arrange a tour, please contact Dr. Yocom!

Thanks to ALL supporters! It is truly a GREAT day to be a MILAN WILDCAT!
