FROM: JON LAFFOON, SUPERINTENDENT
FARMINGTON SCHOOL DISTRICT

Due to COVID-19 cases and quarantines, Farmington Public Schools will pivot to virtual learning on Wednesday, January 13th with the expectation of returning to onsite learning on Tuesday, January 19. This will be applicable for all campuses. Currently we have positive COVID-19 cases in most schools and numerous students and staff quarantined. The shortage of staff has directly impacted our operations across the district. The district has consulted with the ADE, and has followed specific ADH guidance and directives in terms of case reporting and quarantining.

The safety of our students and staff is always our top priority and we are taking actions recommended by the ADH to mitigate this situation. This includes but is not limited to enhanced sanitation of classrooms, desks, and high-touch areas. Please be aware that Monday, January 18 is a scheduled holiday for students so no work will be pushed out that day.

There are some important things to know as parents about virtual days:

- Any student 18 and under is eligible to pick up a free meal at the side doors of the middle school between 11:00 and 11:30. If you plan on picking up a meal please go to <https://bit.ly/2RKWPh9> by 9:00AM that day and register. **Important...** Please fill out an online form for meals to be provided.
- Teachers will be available online if your child needs assistance of any kind. You may either call your school's respective office or email your teacher or administrator directly. Please visit www.farmcards.org for a staff directory if needed.
- If any student does not have internet at home to be able to connect virtually please contact your child's school office for assistance.
- Decisions on extracurricular athletic events and practices will be made on a case by case basis and Farmington Schools will inform you on those decisions via the district website or direct communication.
