

ABILENE A&M CLUB 2021 SCHOLARSHIP APPLICATION

The Abilene A&M Club Scholarship Program is designed to provide financial assistance for graduates of the Abilene area high schools who are legal residents of Texas and are in need of financial aid in order to attend Texas A&M University at College Station or at Galveston. If you have been accepted for the Blinn Team program you are also eligible to apply for this scholarship.

The minimum requirements that must be met in order to be eligible to receive one of the Club's scholarships are as follows:

1. Graduating from a high school located in Taylor County or one of the surrounding counties;
2. Accepted for enrollment and will be attending Texas A&M University at College Station or Galveston in the Fall 2021 semester;
3. Be enrolled as a full-time student (at least 12 semester hours); and
4. Not be a member, or planning to be a member, of an A&M athletic team that competes in NCAA sanctioned events, either through an athletic scholarship or by walk-on.*

***NOTICE: Because of National Collegiate Athletic Association (NCAA) regulations, the Abilene A&M Club has determined that it cannot award its scholarships to any student that becomes a member of one of the University's sports teams that competes in NCAA sanctioned events. Therefore, should you become a member of one of these sports teams, you would then become ineligible to receive or continue receiving the Club's scholarship while participating on that team.**

The applicant must submit the following items to the Scholarship Committee in order for his or her application to be considered for an interview:

1. Completed application form. Please note that failing to fill out any part of the application form may result in the application being eliminated from further consideration by the Committee;
2. Official transcript of high school record;
3. Three letters of recommendation. The committee prefers one from each of the following categories:
 - high school principal, counselor, or teacher
 - employer for whom you have worked or are working
 - individual who is not related to you, has known you for at least 2 years, and who can attest to your character
4. A recent picture of yourself.

*We reserve the right to request a copy of your parent's 2020 tax return.

The Scholarship Committee considers financial need, scholastic attainment, potential, participation in extracurricular activities and after-school employment when selecting the scholarship recipients. The Committee does not consider race, creed, color, national origin, or sex in its deliberations when choosing scholarship recipients.

The Scholarship Committee will review all of the completed applications postmarked by the deadline and select applicants for personal interviews. If you are selected for an interview, you will be notified by mail of the date, time, and place of your interview. The interview will be the final deciding factor and will probably be conducted the fourth Sunday in April, 2021. Exact time and place will be provided if you are selected for an interview.

Criteria for Selection. The Abilene A&M Club Scholarship Committee will use the following factors and weights to choose recipients:

*Financial need: 40%

*High School grades, SAT, or ACT: 30%

*Extracurricular activities, community involvement, and work experience: 15%

*Letters of recommendation: 15%

Tips on Applying for a Scholarship.

1. Start working on this early.
2. Make it easy for the Committee to learn about you: Type or clearly print your application.
3. If you hand write your application, please use a black ink pen. And remember, spelling counts!
4. Do some research about A&M at <http://www.tamu.edu/>, especially if you are not from an Aggie family.

Family Income/Family Information: Fill out as completely as possible. Give us additional information where applicable and useful about your family's finances.

Work Experience/Extracurricular: This section gives you the opportunity to identify what you consider to be your most significant, non-academic accomplishments. We are particularly interested in the leadership roles you have held and the volunteer activities you have performed. This may include activities in clubs, church, athletics, scouting, and civic organizations. This is also the place to describe any special family responsibilities and work experience. Always list the most important items first. Be brief but thorough.

Letters of Recommendation: We want something short but full of information. Select the person to write these very carefully. The letter should explain the position or status of the person writing the letter and their relationship with you. It should contain specific examples that illustrate your abilities and accomplishments (for example, personal motivation, work habits, intellectual abilities, or emotional maturity). The writer's emphasis should be on the quality of their comments, not the length of their comments.

What major field of study do you plan to pursue at Texas A&M? Briefly describe your career plans upon receipt of your degree.

Specific goals and a passion for a particular career are impressive, but if you are still unsure, that is all right too. We know that it takes some people longer than others to figure out what career is best for them. Just write sincerely about what interests you and what you hope to accomplish.

Why did you choose A&M over other universities?

Give reasons associated with your career and life goals. What does A&M offer that other schools do not? Are there unique personal reasons that will help distinguish your desire to attend A&M over other applicants?

The application form, transcript, and your photograph are to be assembled together and submitted in one envelope to the following address. Letters of Recommendation can be mailed in this envelope or the person writing it may send it directly to the following address.
