January 13, 2021

DTHS Juniors and Parents:

Dwight Township High School will be offering SAT Prep for interested Junior students again this year. We will conduct the prep sessions on the following dates: March 7, March 14, and March 21. Each session will start at 12PM and finish at 3PM. **Should we have more than 24 students sign up, we will move to a pair of sessions (12-3 and 3-6) to accommodate the larger number.**

A specific section of the test (Math, Reading, and Writing & Language) will be covered during each 3-hour session. Subject-specific teachers will work with students on several aspects of the test including time management, reasoning skills, and specific strategies regarding their particular area of focus. Many sample questions will be used to help students master the skills being taught.

During the study sessions, our teachers will be utilizing **The Official SAT Study Guide**. The guide contains over 800 pages loaded with test taking tips and SAT learning strategies. The guide also includes **eight** SAT tests along with official answer explanations. The sessions will be held In Person at DTHS unless we are shutdown at the time of instruction. If we are shut down and cannot be In Person, sessions will be held remotely through Google Classroom.

The fee for the SAT Prep sessions is \$45 (\$30 of which can possibly be refunded).

This fee covers the cost of the book (the student keeps the book), instruction and snacks during the sessions. Should the student attend and fully complete all three sessions, you will be reimbursed \$30 by the district. All checks should be made payable to Dwight Township High School.

Students can sign up for the sessions by bringing the \$45 to the office. **The deadline for signup is February 19th.** Please let me know if you have any questions.

Have a great day,

Mr. Pittenger
