STUDENTS ATTEND JAG NATIONAL CAREER ASSOCIATION CONFERENCE

On April 19th, Mrs. Claussen took her eight JAG students to Orlando, Florida to attend the National Career Association Conference. The conference was an opportunity for these students to network with students all over the United States. While there, they were able to attend different education workshops and a Career Expo. Also during this time there were several different competitive events. The evenings were filled with activities such as a magician and a tropical themed dance. On Saturday the students had a free day so they went to Universal Studios. That evening students attended the Grand Awards Ceremony which Preston Rosane took 2nd place in Financial Literacy and Talia Hahn took 6th place in Prepared Speaking.
