Upcoming Bennett County School District SUMMER Acivities

Summer School and Summer Food Program

Summer school will run from June 5- 29.

Breakfast and lunch will be served each day, Monday through Thursday for the month of June. Bennett County School District partnered with the U.S. Department of Agriculture to provide free meals to children. Anyone age 18 or younger may come and eat. Breakfast will run from 8:00 to 8:30 AM and Lunch will run from 11:30 -12:30.

Come join the FUN

4th-6th 10:30-11:00

7th-12th 11:00-11:30

ALL TOGETHER NOW

SAVE ON INTERNET SERVICE WITH ACP

Since all students who attend the Bennett County School District 03-1 qualify for free school lunch, all students also qualify for the Affordable Connectivity Program (ACP), a federal benefit program operated by the Federal Communications Commission. That means their household can save up to $30 per month on internet access or up to $75 per month if they live on tribal lands.

To enroll, families should:

1. Go to getinternet.gov to submit an application or to print a mail-in application.

2. Enter your contact information and in the "Confirm your program participation" section select that your child or dependent participates in "USDA Community Eligibility Provision (CEP) School."

3. Then contact Golden West (if we serve your home) at 1-855-888-7777, option 1, or another preferred participating provider to select an eligible plan and/or have the discount applied to your bill. Both new and existing subscribers can receive the discount, but you must contact the provider. ACP enrollees may need to provide documentation verifying eligibility. This could involve presenting the household's school meals approval letter or other current official documentation.

There are other ways to qualify for ACP in addition to attending a CEP school. The discount is non-transferrable, is limited to one per household, and may end if federal funds run out. For more information about ACP, call 1-877-384-2575 or visitgetinternet.gov.

The FCC's Lifeline program offers an additional discount opportunity, although qualifying isn't automatic for schools who receive free lunch for all. For more information about Lifeline, visit lifelinesupport.org.
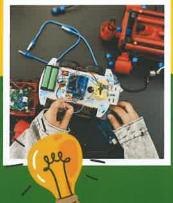

An internet connection is vitally important to daily life Golden West is proud to participate in the ACP and Lifeline to help connect more people.
