January 14, 2021

Dear Judson School Families,

I hope this letter finds you well! I would like to provide you with some important reminders as we prepare to welcome back our students on Tuesday, January 19th.

Two Hour Delay

Tuesday, January 19th will be a two-hour delay. School will begin at 11:00 am and dismissal will begin at the usual time of 3:15 pm. Parent drop off will begin at 10:40 am.

Drop Off and Pick Up

The parent drop off and pick procedure that was utilized in the fall will continue. Your patience is much appreciated!

Chromebooks and Materials

Please remember to pack a fully charged chromebook along with the charger. Any materials that were brought home for Remote Learning should return to school. Please remember to pack those in your child(ren)'s backpack!

Free Breakfast and Lunch

Watertown Public Schools still is offering free breakfast and lunch to all students.

Health and Safety

If your child is not feeling well, **please keep them home out of an abundance of caution**. Please call the Main Office and follow the absence up with a note so it can be excused. We will continue to implement all the mitigation strategies that are in place (hand sanitizing stations, handwashing, disinfecting high touch surfaces, masks, social distancing) upon our return. Please remember your masks daily! A reminder that gators, bandanas, and exhalation valve masks are not allowed.

Remote Learners

Once we are back in person, the remote learning schedule for our remote learners reverts back to what it was in the fall, which is one hour of synchronous learning time (to be determined by each teacher) and the rest of the day will be asynchronous (independent). Look for more information regarding this from your child's teacher.

If you plan to keep your child(ren) home, please make sure that is communicated to our Main Office at (860) 945-4850.

If you have any questions, please do not hesitate to contact me!

Respectfully,
Kristin Raymond
Principal
