Welcome to Circle Greenwich Elementary!

I can not begin to put into words how incredibly excited I am to be the new principal of CGE! This is an amazing school community with rock star teachers, brilliant students, active and supportive parents, the best group of support staff members, and a great location!

For those of you who do not know me, my name is Dustin Razey and this is my 14th year in education, all of which have been right here in Circle. This will be my first year as principal, and I am thrilled for the opportunity to start this new chapter of my career at CGE. I grew up in the Circle community, having gone through kindergarten through 8th grade in Towanda and graduating from Circle High School in 2000. My wife and I are high school sweethearts and we have four amazing kids, all of which attend Circle Schools. I am very much at home in this district and dedicated to help make it the best district in state of Kansas.

There are a lot of unknowns this year as we attempt to make the best of a less than ideal set of circumstances. However, I have never been more ready to start the new school year in my entire career. Through it all, we have Kindergarten screening coming up on August 6th with the first day of school pushed back to September 8th. Our supply drop off night and back to school night might look a little different this year, so keep a look out for communication regarding those events.

Due to the current state of our community, I am unable to say that I have an open door policy. This is horribly unfortunate, and hopefully that will all change in the near future. In the meantime, please know that I want to get to know all of you, and I want you all to feel comfortable contacting me with questions, comments, concerns, or just to chat. This is an amazing school in an amazing school district, and I feel so fortunate to serve you as principal.

Have a great year!!

Dustin Razey
