

NEWSLETTER

April 19th-22nd

Classroom News

Homework: Each night students will need to read for 15 minutes and complete a math page for homework.

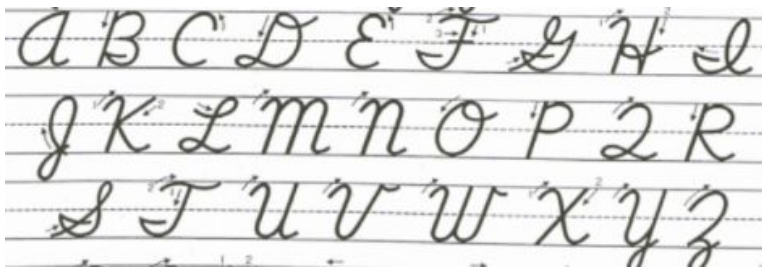

Reading & Writing: Elements and Examples of Fairy Tales

Math: Graphing (Picture Graphs, Bar Graphs, & Line Plots)

Science: Chick Embryology

Handwriting: Capital Letters- M, H, K, U

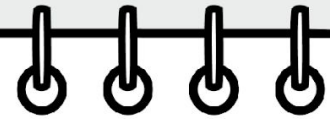

Parent Connection

Second grade is the only year students will learn cursive, so it is very important that students practice at home!

Reminders:

- The Embryology project will last around 21 days. After its completion and all the chicks hatch we will need to find homes for each of them. If you are interested, please write a note to your child's teacher. They have to go home in 3's. We can't promise that every child requesting one will be guaranteed a chick. Students names will be chosen by a random drawing!
- Our on **Campus Field Trip** will be **May 6th** with SC Parks and Recreation. Chaperones will not be needed since this is on-campus. Please be on the lookout for a **permission slip** coming home this week. **You must sign the permission slip along with sending in \$6.** This will pay for both the field trip itself along with a pizza lunch delivered to the school!

Dates to Remember

April 27th- Field Trip
Permission Slip and Money Due

April 27th- Spring Pictures & Early Release at 12:40

May 3rd- Interims Issued

May 6th- On-Campus Field Trip

To Do:

Please make sure iPads are charged nightly! We are noticing more and more students not coming to school with their iPads charged. They are needed to complete daily assignments in class.
