Things to Know

COMMUNICATION HOME: This folder will come home each Wednesday and have important papers from the school, as well as any graded papers for the week. Please initial or sign each graded assignment and return the next day.

Were you absent? Each teacher has a Schoology Course with daily assignments for students that miss school for any reason (quarantined, sick, personal, etc.) Assignments are due one week after it has been posted. If you would like to watch live lessons (if available) please let the teacher know.

Headphones: We use headphones DAILY. Please make sure that students are bringing their headphones.

Laptops: Please make sure students are charging their laptops each night. Students will clip down and walk if they have to charge their laptops.

Toys and fidgets are cute but please do not allow your child to bring them to school. Check bookbags!

Your child needs their own pair of **headphones or earbuds**. We use these on a daily basis in all of our classes.

WHAT WE ARE LEARNING

Math

- In math this week we will begin working on our last unit and solving two-step word problems, as well as reviewing multiplication and division facts and strategies to solve.

Science

- This week we will begin discussing changes in an ecosystem and the causes that create those changes. We will be discuss if the changes occur naturally or are a result of living things.

Social Studies:

- We will be reviewing economy by reading week 27 in the Studies Weekly newspapers. We will have a test on the newspaper next week. Students have their newspaper in their binder. We are reading a section a day, so students can reread and look at sections we have underlined/highlighted.

Reading/Writing

- We are prepping for our end of the year SC Ready testing by reading short stories and answer questions. We are working on Part A and Part B questions, finding evidence to support our answers, and will continue to work on Text-Dependent Analysis. This practice will help students gain stamina and increase their comprehension levels while reading a text. We will not have specific words this week, but will be reviewing previous words each day.

New Reading log is in student's binder. Question codes are located on the back of the paper. Students should read (hopefully a fiction chapter
