***Defining Residency**

Each student will attend the school that serves his/her place of legal residence as determined by the district's Board of Education. **The normal definition of a resident is one who occupies a dwelling within the area at issue, has a present intent to remain within that area for a period of time, and manifests the genuineness of that intent by establishing an ongoing physical presence within that area together with indicia that his presence is something other than merely transitory in nature – i.e., one's domicile.**
