Dear Parents,

A letter was previously sent to you regarding a mentoring program we will house at MCHS called MODELS Academy.

Your son has been invited to join The Models Academy interest meeting on, Wednesday, January 18, 2023 during their lunch activity time.

MODELS Academy is a holistic mentoring and personal development program that addresses the social, academic, career and cultural development of African-American males. The program provides a holistic curriculum designed around career exploration, academic preparation, college readiness, personal growth, and community service.

Your son is invited to join our MODELS Academy Director and MCHS Counselors in the Media Center on Wednesday, January 18, 2023 to become introduced to the Director and the principles of this wonderful and successful mentoring program.
