CHORUS

were Freshman **Emily Bates**, Sophomore **Hannah Quattlebaum**, Junior **Camryn Burley**, and Senior **Carsyn Hydrick**. These students traveled to Cayce, South Carolina to audition for a seat in the All-State Chorus against hundreds of other students from around the state. This audition process required individual preparation of Pergolesi's "Alleluia" for their vocal part as well as sight reading an excerpt after given 60 seconds to preview it prior to performing for adjudication. We are extremely proud of these students and their accomplishments in this process.

TEAM BUILDING

Fugel Receives Champions of the Environment Grant

Mid-Carolina High School has been awarded the highest value grant that Champions of the Environment offers! The \$2,500 grant is a program to help schools protect the natural world and boost environmental awareness.

This program is funded by *DHEC*, *Dominion Energy*, and *Sylvamo*. They award multiple grants at different monetary levels each year to schools who submit write-ups about the projects they are working on that help the environment.

MCHS is already a certified "Green Steps School," completing many different projects that help to better the environment and increase awareness; including our Recycled Art projects (Art Teacher **Coleen Makoski**), Adopt a Highway (JROTC Instructor **Major James Taylor**), Small-Scale Recycling (Receptionist **Phyllis Chebbi**), Bluebird Trail, and Litter Sweeps. Green Steps Lead Teacher **Kaitlyn Fugel** has been working with DHEC, SCDNR, Keep Newberry Beautiful, and Newberry County Soil and Water Conservation to make sure MCHS is continuing to grow "greener."

The grant this year will go towards creating a pollinator garden on our campus using plants native to our area as well as developing an anti-litter campaign with educational materials to share out to the school and community. The project we are most excited about is creating a new tradition at our school of planting a tree in the spring for our graduating class to help beautify our campus!
