## GOOD NEWS

Congratulations MCHS Prom King **Takeo Gallman** and MCHS Prom Queen **Niyila Stribble-Eigner**.

On Saturday, April 22, the Green Steps Club led an Earth Day Campus Clean-Up at the MCHS and MCMS campuses. Thanks to the students and teachers who came and cleaned up. Sixteen bags of trash were collected!

On April 25, all Advanced Art and Art Club students participated in a field trip to the Columbia Museum of Art. Students were led through a tour of Islamic Art as well as a collection of work by all female artists. They were actively engaged in discussion throughout the tour, along with a studio activity that followed. After lunch we were able to quickly view the other galleries in the museum before heading back to school. It was a great learning experience!

Congratulations **Andrew Morris**! Drew is the MCHS Newberry County Rotary Club Youth of the Month for April 2023. He was recognized at the Newberry County Rotary Club meeting on Friday, April 28, 2023.

## THE POWER OF AN OUTSIDE VOICE

*"Jon, never underestimate the power of an outside voice."*

A CEO shared these words with me after I had just spoken to his company.

"We brought you here to reinforce our message," he said. "Our folks get tired of hearing us say it but when it comes from an outside voice it's new, fresh and exciting."

I knew exactly what he was talking about.

Even though I'm brought in to speak to some of the biggest names in sports and business, my kids have little interest in hearing what I have to say. :)

From what many parents tell me on my travels I know I'm not alone.

So, when my children were growing up, besides writing inspirational messages

on whiteboards in their rooms, I utilized outside voices to reinforce the messages and principles I wanted to share with them.

I still utilize outside voices today! I have found coaches, tutors, mentors, experts, etc. to encourage, coach, teach, push and bring out the best in my children.

I also give them books to read by others and share inspiring Youtube videos and messages from role models such as Ed Mylett, Cori Close, Erwin McManus, Christine Caine and other inspirational people.

There's something about the power of an outside voice. I want to encourage you to use outside voices to share and reinforce important principles and messages with your team at work and at home.

There are many outside voices and I encourage you to find the right people and resources to share with your team at work and home. Be intentional and keep it up. Sometimes it may not seem like they're listening, but they are and it only takes one voice to create a spark that transforms someone's life and work forever.

There's the power of an outside voice and you can start tapping into one today!

- Jon Gordon
