The Annual School District of Newberry County Art Exhibit was displayed at Newberry Arts Center during the month of April. This annual event began in 2015 when the NAC graciously offered to host this event. Each school in Newberry County displays 15 pieces that showcase the work of their art students. The art instructors at each school select the work to be displayed.

The superintendent, Mr. Alvin Pressley, selects the Superintendent Awards and Honorable Mention Award. The NAC also awards one student work from each school with the NAC award and a gift certificate.

On April 25, all Advanced Art and Art Club students participated in a field trip to the Columbia Museum of Art. Students were led through a tour of Islamic Art as well as a collection of work by all female artists. They were actively engaged in discussion throughout the tour, along with a studio activity that followed.

After lunch we were able to quickly view the other galleries in the museum before heading back to school. It was a great learning experience!

STUDENT COUNCIL

The MCHS Student Council had the opportunity to attend the 75th SCASC State Convention, which was held over the weekend. Students were able to hone in their leadership skills by attending workshops, participating in leadership games and team building activities, and by collaborating with student council members from across the state of South Carolina. Students had the opportunity to hear from guest speakers about the importance of leadership, organization, and making the right decisions. Students collaborated with other school student councils during the "Swap Shop" where schools came together to share ideas for student activities, student engagement, and so much more. While students worked hard this weekend, they also had a lot of fun! Students dressed in their best formal wear to attend a banquet dinner and an award ceremony on Saturday night, which was followed by an AMAZING dance party! On the final day of the convention, students held caucuses to discuss the candidates for state president, state parliamentarian, and the district chairs. Students were able to experience what an election is like, and they gained a better understanding of our country's voting system. Overall, the weekend was filled with building friendships, leadership skills, and (most importantly) having fun!

Each year, the program provides Fellowships for up to 200 high school seniors who have exhibited high academic achievement, a history of service to their school and community, and a desire to teach in South Carolina.

Applicants who are awarded a Fellowship receive up to \$24,000 in yearly scholarships (up to \$6000 a year for four years) to attend a Teaching Fellows Institution in South Carolina. Each Fellow agrees to teach in South Carolina one year for every year he or she receives the Fellowship.

SC Teaching Fellows are offered numerous professional development opportunities and are involved with communities and businesses through various service projects and partnerships with local schools.

Elementary Senior Walk

The MCHS Senior Class of 2023 was invited to a Senior Walk, to walk the halls of the local elementary school that they attended during their elementary school years. If they did not attend one of the local elementary schools, they were encouraged and invited to join one of their friends at a school of their choice. The staff and students were very excited to see them. They congratulated them on their High School Graduation.

Estimado Padre o Tutor:

El Acta de Mejoramiento de la Educación de Carolina del Sur de 1984 requiere que el Consejo de Educación del Condado de Newberry establezca un Consejo de Mejoramiento Escolar en cada escuela. Cada Consejo Escolar debe de consistir en: por lo menos dos padres elegidos por los padres de los estudiantes de la escuela; por lo menos dos maestros elegidos por la docencia de la escuela; por lo menos dos estudiantes en las escuelas preparatorias elegidos por los estudiantes; y otros representantes de la comunidad seleccionados por los directores de las escuelas. Sin embargo, los representantes elegidos deben formar dos terceros de la membresía.

La tarea principal del Consejo es de ayudar al director de la escuela establecer metas y prioridades para los estudiantes, ayudar a valorar el programa de la escuela, y hacer un reporte al Consejo de Educación del Condado Newberry y a la comunidad. Los miembros se eligen por un plazo de dos años. Ya nos toca la elección de las personas que van a servir desde el 1 de octubre 2023 hasta el 30 de septiembre de 2025.

Les pedimos su ayuda para elegir a los padres de la escuela donde asiste su hijo o hijos. Les invitamos a nominar una persona o personas para servir en este Consejo Escolar. Si desean hacerlo, favor de anotar el nombre y el teléfono de la persona abajo y devolver esta carta al director de su escuela antes del Jueves, 28 de Julio 2023. Cuando se hayan recaudado todas las nominaciones, se va a preparar una cedula de votación para que vote por los candidatos que deseen.

No olviden que los candidatos deben de ser padres de los estudiantes de la Escuela
Mid-Carolina High School Les agradezco su ayuda y cooperación.

Atentamente,

Ray Cooper

Director
