**BISHOP UNIFIED SCHOOL DISTRICT**  
**NATIVE AMERICAN POLICIES AND PROCEDURES UNDER FEDERAL IMPACT AID (IPP)**  
2020-2021 School Year

It is the intent of the Bishop Unified School District (BUSD) that all Indian children of school age have equal access to all programs, services and activities offered within the school district. To this end, the Bishop Unified School District will consult with local tribal officials and parents of Indian children in the planning and development of Indian Policies and Procedures (IPPs), general education programs, and activities. These policies and procedures will be reviewed annually and revisions will be made within 90 days of the determination that requirements are not being adequately met.

It is understood that the Bishop Paiute Tribe will send a notice listing the name(s) and address(es) of the tribe's elected or appointed Indian Education Representative(s) to the district within 30 days of appointment or election. All references in these policies to "Indian Education Representatives" are those representatives named by their tribe.

#### **ATTESTATIONS**

The Bishop Unified School District attests that it has established Indian Policies and Procedures (IPPs) as required in section 7004 of the Impact Aid law for any children claimed who reside on eligible Indian lands. The IPPs have been adequately disseminated to the tribe and parents of children residing on eligible Indian lands after approval from the PAC and BUSD School Boards. A copy of the current policies and procedures was attached to the FY 2020 Impact Aid application.

The Bishop Unified School District attests that it has provided a copy of written responses to comments, concerns and recommendations received from tribal leaders and parents of Indian children through the Indian policies and procedures consultation process and disseminated these reports to tribal leaders and parents of Indian children prior to the submission of the FY 2021 Impact Aid application.
