

**CLAREMORE PUBLIC SCHOOLS**  
Bryan Frazier, Superintendent

---

August 11, 2022

Dear staff,

I hope you all had a great summer and found it restorative and restful. We are optimistic about the coming school year and feel the pandemic is in our rearview mirror. Enrollment is strong and Claremore Public Schools is definitely the place to be!

On Monday, August 15, 2022, we will kick off the school year with our Welcome Back Breakfast provided by the Claremore Public School Foundation. All faculty and support personnel are invited to attend. Having all our staff together is a great way to begin our year, so I want to encourage everyone to be present. Wear your new red ZEBRA t-shirt and jeans. If you did not pick your shirt up this past week, we will have it at the breakfast.

Our Foundation Director, Shanna O'Shields and the Board are eager to show their appreciation to our staff. They have planned a morning full of food, fellowship, prizes, games, and celebrations to communicate what you mean to our district, community and them as a Foundation. The breakfast and festivities will be a great time; you won't want to miss it! The doors will open at CHS at 7:30 AM. Enter off Stuart Roosa and use the Northside entrance, far East door as we have in previous years.

Following breakfast, everyone will move to the Robson PAC for our Welcome Back Rally. We will take an all-district photo after the rally in the PAC.

Following the rally, teachers will be released for lunch and report to their sites for professional development by 1:00 PM. **Tuesday, August 16, 2022**, will also be a full day of professional development at your individual sites, followed by "Meet the Teacher" that evening. **Wednesday, August 17, 2022**, is a meeting-free contract work day. **Thursday, August 18, 2022**, our students will return to us for the first day of classes!

I am excited to see the new and exciting things ahead for our students at Claremore Public Schools and YOU are the reason. Your commitment, your professionalism, and your love for our students and families are what make Claremore the Zebra family it is. This is also why I can honestly say, "It's a great day to be a Zebra!"

See you August 15!

A handwritten signature in blue ink that reads "Bryan Frazier".
