## THIS WEEK IN SUMMER ACADEMY

What an amazing week! We are already half way into the summer academy program. Can you believe it? It has been an absolute pleasure spending time with your scholars. This week, it was great to see Mrs. Berdell's third grade classroom exhibit titled, "Animals in the Wild".

The scholars worked really hard on creating scenes from booklets read at home. We also had some incredible butterfly feeders created as a part of Mrs. Nimon's STEAM component for their Math class. Lastly, today, we concluded the week with Super Hero Day and what an incredible sight to see from some of our staff and scholars!

## REMINDERS THIS WEEK

- **Drop-off Time:** Kindly note that our drop-off time is no earlier than 8:15 am. There is no supervision available prior to that time.
- **Safety Measures:** When arriving and leaving the campus, please use the crosswalk for the safety of everyone. Buses will be driving through the parking lot, so it's crucial to exercise caution and use the crosswalk at all times.
- **Absences and Schedule Changes:** If your child will be absent, leaving early, or there is any change in their regular dismissal routine, we kindly request that you inform the office as soon as possible.
