

The Bear Necessities

Week of January 18, 2021

Dear Friends,

I hope you all have had a fantastic start to 2021 and had just what you needed over the holiday break.

Miss Hillary has been working overtime to organize fun activities through the Rec. Department for our students. I hope you have a chance to check out these opportunities and that your child is able to participate in some of them.

Our PTO is also working on many different fundraising opportunities for our playground and COVID friendly activities for students. Please let me know if you'd like more information on how you can help PTO out.

I hope you all get a chance to enjoy some outside activities this long weekend...I am hoping to get some snowshoeing in!

~Erin

*No school on Monday, January 18 for Martin Luther King, Jr. Day

*Notes sent with students in the **MORNING** are the best way to ensure all necessary staff are informed of the change to a child's after school location. Notes are required for ALL Rec. activities.

*Please display your pick up number in the vehicle when lining up to pick up your child after school.

*Please make sure your child is properly dressed for outside activities everyday: hat, mittens/gloves, coats, and boots are a must. Students must also have ski pants or they will have to remain on the hot

top for recess. ***If you need assistance with cold weather items, please contact the office.***

*Please remember to send your child in with a mask (or two) every day. We are able to replace masks as needed but we have a limited supply of disposable masks. We do have cloth masks for anyone that needs them. Please let us know if you are in need of a cloth mask.

*Masks are required to ride the bus. Please be sure your child has a mask every day they ride the bus. If you are in need of cloth masks, please let us know.

Math Games with Kindergarten

Math Read Alouds with UMPI Students

Check out these two math read alouds that UMPI students created for us:
