WELCOME

Dear Parents and Students,

Welcome to the 2023-2024 school year at WL-S Elementary! I am certain that this is going to be a great year! Please take some time to review this handbook, as it includes important information for both students and parents about rules, policies, and procedures.

The Elementary school day hours are 7:45 a.m.-2:57 p.m.

This handbook has been designed to help all students get the most out of their educational experience. If all students, parents, and staff are on the same page, it is likely that students will reach their full potential which is the ultimate goal. I look forward to working with all of you, and remember, always do your TIGER BEST!

Sincerely,

Aaron Hollar, Elementary Principal

SAFETY & SECURITY

School safety and security has always been and will continue to be an important issue not only on the minds of school personnel, but all the members of the school community.

To have an excellent and successful learning environment, students must feel safe and secure. In order to establish organization and create the conditions for that to happen, we at West Liberty-Salem are always discussing our practices and procedures and are looking at ways to improve them. This includes routine drills and practice of safety procedures. We want ALL students to become successful, lifelong learners, not only able to do so individually but also to work well with each other and all school staff members and parents.

To establish the conditions of a successful learning environment, it is very important that we all work together. **Please read the student-parent handbook and all school publications and news.** Be aware of student expectations and the expectations of all members of the school community. Then discuss these within your family and the community. Please follow the procedures we have established. It is very important that students be dependable and assume responsibility to follow school and classroom rules and regulations so that the safety and security of EACH of our 1,200 students is assured. It is equally important that each of us treats each other with ultimate respect.

Here are a few very importance procedures to follow:

- **Communicate with the school IMMEDIATELY about your student's attendance and any other special concerns such as emergencies, pertinent legal matters, health, etc.**
- Read and discuss the Student/Parent handbook with your child.
- **Fill out emergency medical information completely and as soon as possible.**
- Strive to reach West Liberty-Salem's attendance goal of 95% or better.
- Use designated parking areas when arriving at school. DO NOT double park or block fire and bus lanes before or after school.
- Use the main entrance and follow special, posted instructions.

SAFETY FEATURES

The following safety features should **ONLY** be used in emergency situations. If students use these features otherwise, the discipline process will be followed (see Code of Conduct).

- **Egress windows:** easily opened piano hinge emergency exit windows located in all classrooms with outside windows.
- **Door indicators/locks:** thumb turn locks located on all classroom doors clearly display locked/unlocked door status when inside the classroom.
- **Shatter resistant window film:** window film can significantly impede unwanted entry/window shatter compared to standard windows.
- **Reinforced door locks:** emergency lock bars positioned on classroom doors can significantly impede unwanted entry by withstanding extreme pressure.
- **School resource officer:** full time employee located at WL-S.

WHEN VISITING THE SCHOOL:

Press the buzzer, located to your left, in the entryway when entering the school. An office secretary will then allow you access directly into the office. If permitted inside, visitors must **SIGN IN** and obtain a **VISITOR'S PASS** in the office. **DO NOT** go directly to classrooms, the cafeteria, or playground. THIS ELIMINATES CLASSROOM INTERRUPTION AND HELPS STUDENTS FEEL SAFE. PASSES MUST BE WORN WHERE VISIBLE. The safety of children at school is a primary concern of the school staff. Visitors to the building are carefully monitored. **State law requires all visitors to report to the Office before visiting the classrooms.** Please be prepared to show identification if requested by office staff. The school building is not open before 7:25 a.m. The school cannot be held responsible for supervision of students before 7:25 a.m. or after 3:00 p.m.

EMERGENCY CLOSING OF SCHOOL

Delays will be announced as soon as weather conditions dictate a need. The school must follow many procedures before delays and cancellations occur. The school will announce information as soon as possible, by calling and/or texting parents through the All Call Notification System. Before school and during the day, school-closing information can also be heard on the following stations:

WPKO FM – Bellefontaine – 98.3 | WHIO TV – Dayton – Channel 7

Keep monitoring your favorite station, as a one-hour delay can turn into a two-hour delay or a cancellation. Occasionally, due to snow, ice, or fog, the buses may be 5-10 minutes late while running their regular route. This will not be reported to the media.

CURRENT CONTACT INFO

The Office **MUST** have on file: **ALL CURRENT TELEPHONE NUMBERS IN CASE OF EMERGENCY:**

Home Phone | Work phone | Cell phone

Please make sure all legal papers are on file concerning the custody of your child. Please make sure the school is notified of any changes at home that directly affect your child. Together parents and the school will work for the safety of your child.

ATTENDANCE

School Begins at 7:45 a.m and Ends at 2:57 p.m.

Good attendance is important to maximize the benefit of classroom and instructional participation, and directly affects academic performance.

Parent responsibility when student is absent: Notify the school of student absence (email preferred). Email attendance@wlstigers.org by 9:00 a.m. If email is unavailable, call 937-465-0060 x103 or communicate in person.

One of the following forms of contact indicating an excused reason will excuse an absence:

- Phone call from parent
- Parent note
- Email
- Doctor note stating dates/times of absence
- Signature of parent on sign in/out sheet in the School Office

If the school does not receive notification, the school is required to make a “best-effort” attempt to contact the parent/guardian by phone to confirm the student’s absence. **Requests for homework may be made on the second consecutive day of absence by 9:00 am.** Students will have time equal to the number of days missed, plus one additional day to complete the homework.

EXCUSED ABSENCES

Excused absences are based upon definitions established by the State of Ohio and the WL-S Board of Education. Notification by phone or note does not automatically excuse an absence. The following are excused reasons for absences:

1. personal illness
2. family illness: applies to severe illness of the parents or siblings.
3. quarantine of the home: limited to the length of the quarantine
4. death of a relative
5. religious observance
6. family vacation: limited to 5 days in a school year. Requests for vacation absence must be submitted in writing to the Elementary Principal prior to the days absent.
7. emergency or set of circumstances which in the judgment of the administration constitutes a good and sufficient cause of absence from school.
8. doctor/dental appointments: limited to the time required for the appointment. A doctor’s excuse should be submitted for all appointments and absences ordered by a doctor.
9. court appearance

LATE ARRIVAL

Students who arrive late to school (and who are not in class by 7:45 a.m.) must report with their parents/guardians to the Elementary Office to sign in and receive a late slip. Students arriving between 7:45 – 8:15 am will be counted tardy.

EARLY DISMISSAL

If a student leaves school property during the day, all absences are unexcused until a valid excuse is submitted. Please limit early dismissal of students to unavoidable circumstances.

1. If a student needs to be dismissed early, parents should notify the teacher and office staff stating the time, reason and who will be picking up the student.
2. Students are to be signed out in the front office. Parents should not go directly to the classroom; the office will notify the teacher and student.
3. Students will be released only to the custodial parent or guardian, or to an adult designated by the custodial parent or guardian by written or telephone confirmation. The office may ask for identification of adults signing out students.

EXCESSIVE ABSENCES

In December 2016, the Ohio General Assembly passed House Bill 410 changing the law for “habitually truant” and “excessively absent” beginning with the 2017-2018 school year. The West Liberty Salem Local School District has amended and adopted policies that are required by law. The following is the definition of “habitually truant,” as defined by law:

Habitually Truant:

Students deemed “habitually truant” in any of these circumstances will be turned into the Madison Champaign Educational Service Center attendance officer. The attendance officer is required to contact the parent regarding the date and time of a meeting set by the school’s Absence Intervention Team (AIT) that the parent is required to attend. Failure to attend may result in the school district contacting Children’s Services. During this meeting, the AIT will develop an absence intervention plan. The school’s AIT will monitor and evaluate the intervention plan during implementation. Failure to follow and meet the plan requirements will result in the district filing an official complaint in juvenile court.

- Absent 30 or more **CONSECUTIVE** hours (equiv. to approx. 4.5 days) **without** a legitimate excuse
- Absent 42 or more hours (equiv. to approx. 6.5 days) in one school month **without** a legitimate excuse
- Absent 72 or more hours (equiv. to approx. 11 days) in one school year **without** a legitimate excuse

Excessively Absent:

House Bill 410 also defined “excessively absent” as the following:

- Absent 38 or more **TOTAL** hours (equiv. to approx. 6 days) in one school month **with or without** a legitimate excuse OR
- Absent 65 or more **TOTAL** hours (equiv. to 10 days) in one school year **with or without** a legitimate excuse

PERFECT ATTENDANCE ELIGIBILITY

Tardy, brief, half day or full day excused **OR** unexcused absences eliminate the possibility of achieving perfect attendance. Perfect attendance is perfect.

FOR PARENTS

VISITING THE SCHOOL:

Parents/visitors entering the building during school hours must be buzzed into the building and then sign in at the office. All visitors must also sign out in the office before they leave the building.

If permitted:

- Visitors attending a school-planned event such as, field trips, class parties, assembly programs, etc., **MUST** obtain a visitor's pass.
- All parents/visitors **MUST** enter the building through the main entrance, **NOT** through the wing entrance doors.
- Messages that need forwarded to a student or items being brought in for a student, **MUST** be handled through the office.
- If it should be necessary to speak with a student or teacher directly, the office personnel will make the proper arrangements.

LUNCH VISITORS

If you'd like to visit your student(s) during their lunch time, you must contact Mrs. Cotrell (937-465-1060 x101 or alcotrell@wlstigers.org) prior to the day of your visit due to limited space in the cafeteria. We must make special accommodations for your visit, so **prior notification is required**. Family is encouraged to limit visits to no more than once per nine weeks since we know it is healthy for students to spend time visiting with peers during this time.

STUDENT DROP OFF (MORNING) PROCEDURES

From the North:

1. Enter left lane in one-way traffic (do not use curb lane until a spot is open).
2. Find a parking spot as far forward as possible (use entire sidewalk).
3. **DO NOT** get out of your car when stopped along the curb.
4. Students **MUST** exit your car on the passenger side along the sidewalk.

From the South:

1. Enter from the south and continue to the four-way stop. After stop, turn **RIGHT**.
2. Yield to oncoming traffic and turn **LEFT** into one-way traffic.
3. Enter left lane in one-way traffic (do not use curb lane until a spot is open).
4. Find a parking spot as far forward as possible (use entire sidewalk).
5. **DO NOT** get out of your car when stopped along the curb.
6. Students **MUST** exit your car on the passenger side along the sidewalk.

STUDENT PICK UP (AFTERNOON) PROCEDURES

You must sign out all KG-5th grade students under the front awning at the end of the day. Note: If you have a middle school or high school sibling, they may sign out KG-5th students for you. You may park in the drop off lane (excluding the fire lane) or in Visitor Parking at the front of the school to pick up students.

PICKING UP STUDENTS EARLY

You must contact the office to pick up a student early from school (by calling, emailing, or sending a note). All attendance rules apply (see pages 4-5). **PLEASE NOTE:** There are many days throughout the year where special activities or events occur. Please consider **NOT** scheduling appointments or leaving early on those days so students don't miss out on fun activities or experiences with their peers. These events may include: holiday parties, field trips, field days, Kids Heart Challenge, last week of school, etc.

- **Early release after field trips:** If you are chosen to chaperone a field trip and wish to leave with your student(s) as soon as the trip returns, please notify the office BEFORE THE DAY OF THE FIELD TRIP so we can plan for early dismissal of your student and any siblings. Early dismissals result in classroom interruptions for teachers and students, so prior planning is appreciated. OR, you may also consider allowing your student to stay until the end of the day to limit classroom interruption.
- **Sibling dismissal for school events:** At times, you may wish siblings to attend school events like middle school awards/graduations. If you plan for younger siblings to attend these events, please notify the office BEFORE THE DAY OF THE EVENT so we can plan for your student's dismissal to limit classroom interruption.

PARENT TEACHER CONFERENCES

There are four evenings set aside each school year for parent/teacher conferences. You are encouraged to schedule a conference with your child's teacher at these times. If additional conference time is needed during the school year, schedule in advance for teacher and parent/guardian convenience. **If an immediate conference or visit is necessary, this must be scheduled to not interrupt or interfere with class time.**

BUS DRIVER/PARENT CONFERENCES

During scheduled routes, it is difficult to take time to confer with parents while students are on the bus and are waiting to be picked up at other stops. If a parent wishes to discuss a matter with the bus driver, please call the school's Transportation Department (465-0060, ext. 127) to set up a conference time. At no time is it appropriate for a parent, guardian, or other family members to board a school bus.

INVOLVEMENT AND SUPPORT OF PARENTS

1. It is the parents' obligation, by teaching and example, to develop in the student good behavior habits as well as proper attitudes toward the school. To ensure student success, parents are encouraged to check with school officials concerning their child's progress. IT IS VERY HELPFUL TO STAY POSITIVE ABOUT THE SCHOOL IN FRONT OF YOUR CHILD. IF MISUNDERSTANDINGS OR CONFUSION OCCURS, PLEASE CONTACT YOUR CHILD'S TEACHER FOR CLARIFICATION. THE TEACHER WILL APPRECIATE YOUR CALL. The behavior of the student in school is ultimately the responsibility of the parent and a reflection of the kind of discipline the parents have developed with the child in the home.
 - a. If a student's behavior becomes disruptive of the educational program, a danger to other students, or becomes uncontrollable, the school may legally suspend or expel the student.
 - b. Parents may be held legally liable for vandalism, damage to school property, or injury to students or staff for which their child is responsible.
2. The school expects that parents will cooperate and support the school when children are disciplined.
3. Parents and teachers should discuss problems a child displays before the problems become serious. If the parents are aware of situations in the home or in the school that may distress the child, these should be discussed with the teacher before they result in discipline problems.
4. **Any problems or concerns need to be addressed to the teacher first, before contacting the principal.**

SPECIAL EDUCATION PLAN

The West Liberty-Salem Special Education Department offers a full spectrum of services for the education of students with disabilities. Services offered include identification, evaluation, placement, and service of students with disabilities in compliance with state rules, regulations, policies and procedures. If you have any questions about special education services, please contact the school. Also, if you know of any child residing in WL-S School District who you suspect may have a disability, please contact Julie Hartsel at 937-465-1060 ext. 110

HOMEWORK Your child may have homework. There are several reasons for homework.

1. To provide extra practice on learned skills.
2. To provide further learning in areas covered in the classroom or prepare students for instruction the next day.

3. To provide an opportunity for students to learn good work habits.
4. To provide opportunity for growth in responsibility.
5. To provide you with an opportunity to see what your child is studying and how well he/she is doing.
6. Homework may occur if the student has been absent. Students with an excused absence will have 1 day more than the number of days missed to make up assignments. Example: Two days absence would equal three days to make up work. Work not completed within the allotted time could receive a zero/F.
7. Try to set aside a daily time to sit down with your child and ask about their day and have them share any papers with you.

Students in grades 3-5 can expect to have some homework several evenings during the week.

The daily homework in no way should be viewed as punishment, but rather as a way for encouraging and extending learning. **Parents are encouraged to contact the classroom teacher about any concerns in this area. Call the elementary office at 465-1060, ext. 101.**

STUDY SKILLS

An Academically Successful Student:

1. Brings notebook, paper, pen or pencil and other materials necessary to class.
2. Is an active participant in the classroom - listens well and takes part in discussions.
3. **ASKS QUESTIONS IF HE/SHE DOESN'T UNDERSTAND THE DISCUSSION OR IF HE/SHE HAS A PROBLEM.**
4. Uses student planner to keep track of and schedule time for homework each day.
5. Makes sure he/she understands the assignment before leaving class.
6. Uses what he/she learns and sees how each subject applies to the others.
7. Has an ATTITUDE TO STRIVE TO DO HIS/HER BEST, NOT JUST ENOUGH TO GET BY.
8. Has a special place in the home designated for doing homework.

INCOMPLETES

Students receiving an incomplete on their report card must make up the work within 5 school days. All incompletes after this time will be recorded as failures.

IDEAS FOR HELPING YOUR CHILD

Ways parents can help with homework:

1. Be sure they understand the assignment.
2. Form the habit of using a certain time and place for study.
3. Study conditions should include good lighting, ventilation and quiet.
4. Have necessary materials.
5. Try to help the child develop the skill of working independently.
6. Spend enough, but not too much time on each subject.
7. If homework is exceeding 1 hour per evening, please notify the teacher.

HONOR ROLL

An honor roll will be established at the end of each grading period for grades Four and Five. The following criteria will be used: Highest Honors (only As and A-s), Honors (all As and Bs, no B-s). Students may not receive a '-' in special areas including art, computer, music/band, physical education, or behavior/work habits to be eligible for Honor Roll.

BREAKFAST OF CHAMPIONS

Fourth and Fifth grade students obtaining all As and at most, one B or B+, in reading, writing, word study, math, science, and social studies will be invited to the Breakfast of Champions. Students may not receive a '-' in special areas including art, computer, music/band, physical education, or behavior/work habits to be eligible for the Breakfast of Champions.

FEES AND REPORT CARDS

There is a school fee assessed for each student to cover the use of materials in the classroom. Fee notices are sent home quarterly. The board reserves the right to withhold grade cards and progress reports for any students owing fees. Unpaid fees will be carried from one year to the next, and grade cards will not be issued. If families are experiencing financial difficulty, please notify the school so payment plans can be worked out. Students and parents should also recognize that damaged or lost school property has to be returned, replaced, or paid for as do school fees.

STUDENT PLACEMENT

Student placement for each upcoming school year is the responsibility of the classroom teacher. Teachers meet as a grade level team and discuss student placement. Many things have to be considered before a student is put in any particular classroom. Teachers appreciate your input, but in no way are requests encouraged for next year's placement, nor would a request guarantee placement of your child. If you have major concerns, please contact your child's homeroom teacher. Since so many things have to be considered, we thank you for understanding our situation as we strive to do our best for the education of each and every child.

AWARDS

Awards are given for Perfect Attendance, Honor Roll all year, Spelling Bee, Geography Bee, and Student Council. Band awards and Proficiency/Achievement awards may also be presented. All students have an opportunity to be recognized, when appropriate, throughout the course of the year.

STUDENT RECORDS

CONFIDENTIALITY

- Student records are confidential and are protected by the *Privacy Act*. Only the school staff and the child's natural parents or legal guardians have access to the records.
- Basic directory information on the child is not protected by the *Privacy Act*. Directory information includes name, address, phone number, age, weight, etc. Parents may request the school not release this information. Please complete form given.

PARENTS ACCESS (ORC 3319.321)

- Parents requesting access to their child's records must be granted access within 45 days of the request.
- Parents have the right to receive copies of their child's records. The school may charge the actual cost of duplicating the records.
- Parents have the right to a response from school officials to reasonable requests for explanations and interpretations of those records.
- Parents have the right to an opportunity for a hearing to challenge the contents of those records.

NON-CUSTODIAL PARENTS ACCESS

- A divorce or change in custody does not change the rights of a natural parent to their child's records.
- Non-custodial parents may request and receive a copy of the child's report card, the permanent record, and the opportunity to hold a teacher conference. Only the custodial parent has the right to make educational decisions requested by the school.
- Step-parents have no rights to records, reports, or conferences unless the custodial parent confers these rights on them.

CHILD ABUSE REPORTING

All employees of the District who know or suspect that a child under 18 years of age or a disabled child under 21 years of age has suffered or is suffering any type of abuse or neglect are required to report such information to children's services or the local law enforcement agency.

CHILD CUSTODY: VERY IMPORTANT

Parents have an obligation to inform the school anytime the custody of a child changes. (School Board requires this information). School officials will need to see and copy court orders pertaining to a child's custody.

OPEN ENROLLMENT

The West Liberty-Salem Board of Education permits the enrollment of students from any Ohio school district into the WL-S District. The enrollment is contingent upon accordance with the laws and regulations of the State of Ohio concerning Interdistrict Open Enrollment, the provisions of the WL-S district policy, and the administrative guidelines established to implement the district policy. The administration looks at the enrollment limits for each grade level and determines the number of openings for each grade level and program before accepting applicants.

All applicants shall be considered on the following criteria: availability of space, program and program size. An applicant may be denied Open Enrollment to WL-S if he/she has been suspended or expelled during the school year immediately preceding the year for which the application is made. All applicants must reapply each year by June 1st for the following school year in order to be reconsidered for open enrollment.

Transportation to and from school is the responsibility of the parents for Open Enrollment students; however, they may ride a WL-S bus if the parents provide transportation to and from an approved WL-S district bus stop, if approved by the WL-S Director of Transportation. Please contact Mr. Tyler Cordell at (937) 465-1075, Ext. 127. Once approved for Open Enrollment, all regulations, rules, policies, etc. of the WL-S District shall apply to the non-resident district students to the same extent they apply to WL-S resident district students.

TRANSPORTATION

Students will ride their designated bus if the school receives no written communication of change by 1:00 p.m. **NOTE: With more than 500 students enrolled in the elementary, it can be challenging to notify students, teachers, bus drivers and the transportation office of last-minute changes in transportation plans.**

The school recognizes situations may arise during the day that requires a change in plans. **Please proceed as follows:**

Request transportation change in writing (email preferred)

- Advanced notice changes: email k5@wlstigers.org
- Same day changes: email k5@wlstigers.org before 1:00 p.m.
(if email is unavailable call 465-1060, ext. 101, send note with student or communicate in person)

GUIDELINES & REGULATIONS

CITIZENSHIP

It is each student's responsibility to display qualities of good citizenship. Your best conduct is expected in the halls, in the cafeteria, on the playground, in the classroom and in leaving school grounds. West Liberty-Salem teachers want students to become good citizens. Expect all WL-S staff to remind your child of his/her mistakes. Teachers will give special emphasis to honesty, morality, and courtesy. Obedience to law, respect of our country's flag, appreciation of the Constitution of the United States, respect for parents and home, and recognition of the dignity and necessity of honest labor are characteristics desired and expected of all our students.

Courtesy and good manners should be the key to a student's conduct at school. A good attitude toward teachers and fellow students will make school enjoyable for all. We expect students to have respect for school property and to take good care of books, desks, and other furniture and school equipment.

RULES

The **HIGH FIVES** apply to the classroom, hallways, playground, buses, lunchroom, and the school as a whole. The **HIGH FIVES** are general rules which you will hear about and see posted in the classrooms, lunchroom, and on the buses. Teacher (or school staff)-student relationship in the classroom, halls and on school property, including buses, is important and should be one of mutual respect. The teacher (or school staff) should be recognized as the persons in authority at all times.

1. BE RESPECTFUL
2. BE RESPONSIBLE
3. KEEP YOUR HANDS AND FEET TO YOURSELF
4. FOLLOW STAFF INSTRUCTIONS
5. BE THERE-BE READY!

CODE OF CONDUCT

The Code of Conduct, prescribed by law and the reasonable expectations of West Liberty-Salem Schools, serves to detail the parameters of acceptable behavior as well as the consequences of unacceptable behavior at school or while participating in or viewing any school sponsored/related event or program on or off school property. The Code of Conduct cannot; however, with specificity, encompass every conceivable action listed. The teacher-student relationship in the classroom, halls and on school property is important and should be one of mutual respect at all times. The teacher or staff member is recognized as the person in authority at all times in the classroom, halls, buildings, school grounds and at school-related events. Students are expected to be good citizens of the school by obeying set rules and staff instruction.

DISCIPLINE

To guarantee a good social and educational climate, it is important that students understand that acceptable standards of behavior will be expected at all times. Discipline will be administered when any individual's actions interfere with the right of teachers to teach and students to learn. Students are reminded that any teacher or staff member in the school has the right and responsibility to correct unruly individuals at school or school functions at any time.

EXAMPLES OF MISCONDUCT

Although this section has so far emphasized making positive choices, we need to define specific misconduct that violates school policy and leads to some form of school discipline. Students should not be involved in, demonstrate, or commit any of the following:

- Bomb threat
- Bus misbehavior
- Bringing any type of weapon or its imitation to school.
- Weapons: No student shall possess, use, hold, transport, or conceal any object which would or could be considered a deadly ordinance including, but not limited to: guns, pellet/BB, starter guns, knives, clubs, bullets, and fireworks. This includes any toy presented as and/or reacted to as a real weapon or an object converted from its original use to an object used to threaten or injure another. This includes, but is not limited to, letter openers, pens, pencils, jewelry, etc. Criminal charges may be filed for this violation and the student may be subjected to expulsion and permanent expulsion from school in Ohio.
- Disrupting class
- Failing to attend detention or generally failing to assume responsibility
- Disrespect, insolence, insubordination
- False fire alarm
- Fighting, including play fighting
- Gambling
- Gum Chewing (unless permitted by the teacher)
- Harassment
- Abusive language

- Profanity
- Threat of violence
- Leaving a classroom or school without permission
- Name calling
- Possession, transmission, and/or use of tobacco, drugs, or alcohol
- Possessing the following items: drugs, alcohol, laser pointers, lighters, matches or any incendiary device, toys without permission, weapons or their imitation
- Pushing and shoving
- Public display of affection
- Repeated misbehavior
- Rowdy behavior: running, pushing, shoving, yelling
- Bullying
- Sexual harassment: This may include:
 - a. sexual remarks, jokes or innuendo
 - b. personally intrusive conversations about one's body
 - c. obscene gestures, staring or leering,
 - d. inappropriate and unwelcome touching of person or person's clothing
 - e. whistling or cat calling
 - f. cornering or blocking another's passage.
 - g. obscene graffiti
 - h. displays of pornographic pictures or offensive sex-related objects
 - i. sexual gossip about an individual.
- Sexual harassment is seriously addressed in state and federal law. Such harassment needs to be reported to proper school staff immediately. Those authorities will determine the proper course of action to be taken at that time.
- Stealing
- Tardiness
- Threatening or intimidating any person, verbally or physically
- Truancy
- Vandalizing or otherwise damaging school or private property

DISCIPLINARY CONSEQUENCES

Discipline at WL-S is a teaching process that encourages making good choices, exercising self-discipline and good citizenship, and demonstrating more than acceptable behavior that stands on its own merit and is not driven by simple fear of consequence. Furthermore, the integrity of the disciplinary process at WL-S is maintained with a respect for the individual needs, ability, age and development of students. Teachers, staff, and administration, therefore, deal with student behavior in light of such factors as: the causes behind the behavior, the seriousness of the offense, the number of times the offense has been committed, the student's previous disciplinary record, and parental involvement.

Possible consequences:

- Student conferences and discussion. (During these discussions we will emphasize the importance of and practice making good choices.)
- Detention, during recess
- Bus suspension
- Monitored schedule
- In-school suspension
- Suspension from school
- Notification and discussion with parents through discipline slips and letters, phone calls, conferences.

STUDENT DRESS CODE

The Board of Education adopted dress code states, "In order to have a school in which we can all be proud, we must start by taking pride in our own personal appearance." The teachers and administration have the right and duty to question and regulate dress and grooming when they feel a student's appearance is not in accordance with school policy. Clothing and shoes should provide for the safety of your child. **School dress should not threaten the health, welfare, and safety of the members of the student body and enhance a positive image of the students and the District. Any form of dress or grooming that attracts undue attention, prompting a disruption of the learning environment or violating the previous statement, is unacceptable.**

The following guidelines have been set

1. Shorts may be worn in good taste. Spandex shorts are to be worn only under an outer pair of shorts. Cut-offs may be worn as long as they are neatly trimmed. Shorts are to be no shorter than a fist when hanging at the student's side. Skirts that are extremely short will not be permitted. If your child is wearing shorts on a cold day, please have them bring sweatpants to wear for recess.
2. Bandannas are not to be worn.
3. **Students are to wear shoes at all times. It is strongly suggested that all shoes cover toes and heels for health and safety reasons. The following types of shoes are not considered appropriate for playground activity or walking in the hallways:** higher shoes, clogs/backless shoes, roller blade shoes, or flip flops.
4. Clothes with extremely low necklines or bare midriffs will not be permitted. Halter tops, tops with cutouts, and spaghetti strap tops will not be permitted on any age student.
5. With a variety of activities in the classrooms, low riding pants are a problem. Pants, shorts, and skirts should rest on the natural waistline to avoid embarrassment.
6. Clothing that depicts drugs, alcohol, tobacco, hate, racism, or vulgarity will not be permitted.
7. Face painting will not be permitted because of the distraction to the educational process and the mess that is created on the physical environment of the school.

CAFETERIA

The cost of a school lunch is \$3.00 for Elementary students, \$5.00 for an Adult lunch. The cost of a reduced lunch is \$.40 cents. PRICES MAY VARY based on fluctuating food prices.

If a student packs a lunch, or would like to purchase extra milk, **the price of a milk carton is \$.55 cents**. Due to state guidelines, we strongly discourage pop being brought into the cafeteria for student lunches. The National School Lunch Program (NSLP) provides a nutritionally balanced lunch to students each school day. A doctor’s note should be sent to school alerting the school of any food allergies or restricted diets your child has to follow. Otherwise, your child will be given food according to the guidelines. Water will be provided during breakfast and lunch periods.

Students will have time to eat lunch and will also have recreational time. Students will be informed by the lunch/recess monitor for any special instructions as to where recess will be held (outside or inside).

Lunch schedules per grade level (approximately):

K – 11:00-11:30	2 nd – 11:45-12:10	4 th – 10:45-11:10
1 st – 11:15-11:45	3 rd – 12:05-12:30	5 th – 11:30-11:55

BREAKFAST PROGRAM

The WL-S Cafeteria has a Breakfast Program for students. All breakfast items will be grab and go and will include an entree, fruit/juice, and milk. Breakfast components meet the guidelines of the Child Nutrition Program. Students who are on the Free or Reduced Program can also participate.

Breakfast prices will be as follows:

Students on the free lunch program: free breakfast
Students on the reduced lunch program: \$.30
K-12 Students on the regular lunch program: \$1.85
Milk: \$.55

CAFETERIA DEBIT ACCOUNT

WL-S uses a computerized payment system, Pay Schools Central (payschoolscentral.com). With this account, money can be deposited to a student’s account in any amount and can cover a week, a month, or the entire year’s purchases in the cafeteria for breakfast and/or lunch. With a student’s unique student ID and a credit card, parents can deposit money into their child’s account at any time or sign up for auto replenish when the account gets to a designated balance. Parents can also check their child’s balance and meal purchase history online.

It is beneficial in many ways:

- Students will move through the lunch line quickly.
- Students will not have to carry lunch money to school every day and parents/guardians can even write one check for all their children’s accounts.
- Students who qualify for free/reduced lunches will use the same procedure as all other students, thus protecting the confidentiality of special meal classifications.

- If a student has a special dietary requirement, the information will be visible on a screen viewed by the cashier. Parents can request, by note, that a block be put on their child's lunch account regarding a la carte purchases.
- Parents can budget for school meals and can pre-pay for long periods of time.
- Parents can request a computer printout, which details every item their child has purchased.

Or, parents may send checks made payable to WLS or cash to add to a student's account.

If a student forgets lunch money or packed lunch, they may charge lunch for that day. The amount will be charged on the student's account. A student will be permitted to accumulate a maximum of **\$15** unpaid lunch charges at any one given time. At that time, the Food Service Director or the Principal will contact the parent/guardian. Lunch charges must be paid before a student may receive his/her **report card**. Any unused balance on a student's account at the end of the school year will be carried over until the next school year. If a student is transferring out of the school district, the money left in their account will be refunded by check at the parent's request.

Parents who wish to apply for free or reduced price lunches may do so by completing an application in FinalForms for each child. If your income changes at anytime during the school year, please complete this form online and notify the school.

Please call or email Robin Kauffman (Food Service Director) with any questions at rokauffman@wlstigers.org or 937-465-9166.

STUDENT WELLNESS

ILLNESS OR INJURY AT SCHOOL

If a student is injured or becomes ill at school, he/she is to report to his/her teacher. If the teacher thinks the illness or injury warrant, they may send the child to the office and they will direct them on to the School Nurse. If deemed necessary, the School Nurse or office personnel will notify parent/guardian.

1. Children who become ill at school can be better cared for at home by their parent/guardian.
2. **Ultimately, the care of sick children is not the responsibility of the school.**
3. The school will release sick children only to the child's custodial parent/guardian, or a person identified by the custodial parent/guardian.
4. Parents/guardians are responsible for providing the school with work numbers or information about where they can be reached during the day.
5. Parents/guardians are responsible for providing information about someone who can care for the sick child if they are not available.
6. Students needing medication must follow the Administration of Medication Policy adopted by the West Liberty-Salem Board of Education April 19, 1989.

EMERGENCY INFORMATION: It is the parent's responsibility to complete FinalForms documents indicating where someone can be reached in case of accident or illness. It is most important to notify the school of any changes and/or update your final forms information regarding the student's personal information, such as changes in address, phone numbers, medical history and emergency numbers.

ADMINISTRATION OF MEDICATION POLICY:

The Board of Education believes that the administration of prescription drugs or treatment to children is primarily the right and responsibility of their parents. If prescription medication or treatment is needed during school hours, written request must be made to the School Nurse using the BOE document for prescription medicine. Prescription medication requires a licensed prescriber's signature. The request shall indicate that the drug is necessary for the health of the student and must be administered during the hours that school is in session.

1. The School Nurse may appoint a responsible person or persons to supervise the storing and administering of medication in the absence of the School Nurse.
2. A written request must be obtained from the licensed provider and the parent/guardian before school personnel may administer any medication. The request must include instructions as to name of medication, dosage, time and duration of medication and possible side effects.
3. Medication must be in original containers (child proof) and have an affixed label including the student's name, a list of procedures such as injections, medication, dosage, route of administration and time to be administered.
4. New request forms must be submitted each school year and as necessary for changes in medication order.
5. It is advised that the medication and the signed permission forms be brought to the school by the parent/guardian.
6. The School Nurse or appointed person shall monitor the medications administered.
7. The School Nurse shall keep accurate records of medications given.
8. A BOE form for the administration of medication may be obtained from the school, or on the school website under WELLNESS or under BOE documents. A link to the forms is also provided within Final Forms.
9. If over the counter medications are needed during school hours, the permission form needs to be completed and signed by a parent every school year. Stock over the counter medicine may be given if FinalForms permission is completed.
10. In order to allow self-administration of medicine, written permission must be obtained from the parent or guardian as well as a licensed prescriber. The self-administration of medicine will be evaluated on a case-by-case basis. Self-administration may be allowed in certain circumstances after review and approval of the school nurse and/or principal.
11. **If you bring medication in during the school year you are responsible for picking up the remainder at the end of the school year or it will be discarded.**
12. The exception to this policy includes the emergency use of medications in "Stock" such as Epi-Pens, inhalers or Narcan.

COMMUNICABLE DISEASES/INFESTATION

Any time during the school year that a student has been checked by the School Nurse, and by her judgment, has been determined to have a communicable disease/infestation, said student will be sent home that day for proper treatment/care. If a parent/guardian cannot be reached, said student will be separated from other students for the rest of the school day.

GUIDANCE FOR RETURNING TO SCHOOL AFTER AN ILLNESS.

Always follow the guidance of your PCP (primary care provider) when deciding when to send your child back to school. General guidance: your child should always be fever free and symptom free (symptoms may include but not limited to: nausea/vomiting/cough or any shortness of breath) for 24 hours before returning to school. During the case of a pandemic, more strict guidance should be followed.

IMMUNIZATION

Ohio law requires all students enrolled in Ohio schools to have had the proper immunizations upon entry to school unless they have a valid exemption. The school must have a copy of the immunization record on file if the student does not have an exemption document. Ohio Law states this must be turned in within 14 days of

enrollment or the student may be excluded from school until the immunizations are on file. Immunization Law (R.C. 3313.67-3313.671): Children who do not have evidence of proper immunization will be excluded from school for two weeks from the time of the last reported case.

HEAD LICE

West Liberty-Salem School has a no-nit policy. Students with head lice are not to return to school until all eggs have been removed. Students must be cleared through the nurse before returning to school.

CERTIFICATE OF LIVE BIRTH

A pupil at the time of his/her initial entry to a public or nonpublic school shall present a copy of his original certificate of live birth. This document is available from any County Health Department.

COMMUNITY HEALTH & WELLNESS PARTNERS OF LOGAN COUNTY

We offer the option to utilize the School Based Health Clinic during school hours. In order to utilize this service, you may complete registration via FinalForms at the beginning of the school year. Services include sports physicals, work physicals, prescriptions, well checks, urgent care visits, inhaler refills, and referrals to specialty care. Call 937-465-1150 for appointments.

OTHER INFORMATION

FIELD TRIPS Field trips are to be an extension of classroom activities and are directly related to curriculum goals. The classroom teacher will determine if parents may accompany the class. Parents will be notified of their involvement depending upon field trip guidelines.

GUIDANCE SERVICE Full time guidance services are available for every student in school. These services include assistance with educational planning, occupational and career planning, help with home, school and/or social concerns or any questions or problems student may wish to discuss.

IPADS West Liberty-Salem Elementary classrooms utilize iPads in the classrooms. The school has several iPad carts which are rotated between classrooms for various projects. Students are to use these iPads responsibly, and may only use them for school purposes.

INTERNET POLICY To access the Internet (and email) at school, students under the age of 18 must obtain parent permission and must sign and return this form. Students, 18 and over, may sign their own forms.

The WL-S BOE has implemented technology protection measures which block/filter Internet access to visual displays that are obscene, contain child pornography, and/or are harmful to minors. The school system also monitors online activity of students in an effort to restrict access to pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. Nevertheless, parents/guardians are advised that determined users may be able to gain access information, communication and/or services on the internet which the BOE has not authorized for educational purposes and/or which they and/or their parents/guardians may find inappropriate, offensive, objectionable or controversial. Parents/guardians assume this risk by consenting to allow their students to participate in the use of the Internet. Student's accessing the Internet through the school's computers assume personal responsibility and liability, both civil and criminal, for unauthorized or inappropriate use. In other words, students may be subject not only to the school's disciplinary policy and consequences but also to the penalties of civil and criminal law.

As the Parent/Guardian of this student, I have read the Acceptable Use Policy Summary and Guidelines and have discussed them with my student. I understand that I am being notified that my student will be using school resources/accounts to access the Internet if I give my permission in writing.

I understand that student access to the Internet is designed for educational purposes and that the school system has taken available precautions to restrict and/or control student access to material on the Internet that is obscene, objectionable, inappropriate and/or harmful to minors. However, I recognize that is impossible for the school to restrict access to all objectionable and/or controversial materials that may be found on the Internet.

I will not hold the BOE (or any of its employees, administrators, or officers) responsible for materials my child may acquire or come in contact with while on the Internet. Additionally, I accept responsibility for guiding and communicating to my child concerning his/her acceptable use; setting and conveying standards for my daughter/son to follow when selecting, sharing, and exploring information and resources on the Internet. I further understand that individuals and families may be liable for violations and subject to school disciplinary consequences and/or civil or criminal law penalties.

LIBRARY-MEDIA CENTER Our school library is a place where students may browse and read. It is a place where students may study and do research. When a student is in the library it is his/her responsibility to be reasonably quiet. Anyone who is noisy or disruptive may be asked to leave.

Books are checked out electronically. Books may be checked out for about a 2-week period and renewed as needed, unless a request has been made for that book. Kindergarten and first grade may check out only one book at a time. Second grade may have two books and the higher grades may have three books at a time. A book is usually loaned for two weeks.

All payment for lost or damaged books must be taken care of by the last day of each grading period in order for the student to receive a report card.

LOCKERS Students in grades 3-5 will be assigned lockers. Students may not change lockers without permission of the homeroom teacher. It is the student's responsibility to keep their locker clean. Since the lockers do not have locks on them, the school encourages students not to leave valuables in them. However, if they do, it is their responsibility. The school cannot be responsible for items lost or that are missing. The lockers belong to the school. The school reserves the right to open a locker at anytime.

LOST AND FOUND Articles found should be brought to the office. There is a container placed in the elementary lobby for clothing articles. Small items such as glasses, rings, watches and etc. are in the office. It is a good idea to clearly mark items with the owner's name so they can be returned without delay.

OFFICE Students are to come to the office only if they have business there.

PTO The Parent Teacher Organization works to support our school. Meeting dates will be announced via our website. If you have any questions, contact the PTO president through the school.

RECESS Students will have recess time each day. Recess will be held outdoors if the temperature/wind chill is 20 or above. Recess will be held indoors for inclement weather or extreme cold. Students will not be permitted to stay inside during their recess time without a doctor's note.

STUDENT VISITORS Students are not permitted to bring student visitors during the school day unless the student attended school here previously. Former WL-S students may visit for one day with prior 3-day approval by the principal and classroom teacher.

TREATS/SNACKS Parents may send classroom treats or snacks to celebrate student birthdays if they are on the approved list which includes: fresh fruit or veggies, granola bars, prepared popcorn, rice cakes, whole grain crackers/gold fish, cheese sticks/cubes, graham crackers, raisins, pretzels, or snack mix.

VALUABLES Expensive jewelry or collectibles, electronic devices (i.e. iPods, MP3 players, phones, gaming devices, etc.) and extra money are not to be brought to school during school hours unless they are required for a specific class. If they are brought for a class they are to be stored in student's locker during the day.

VOLUNTEER PROGRAM The purpose of the volunteer program is to provide an opportunity for parents and other interested adults to assist school personnel in the operation of the schools. Such services are valuable in library work, Ohio Reads, aiding teachers within the classroom, and assisting in the administrative offices. Contact the Elementary office to obtain information on requirements to volunteer in Ohio schools.

WITHDRAWAL OF STUDENTS The school should be notified at least two days in advance of a student's impending withdrawal. The student will receive instructions from the office. All textbooks, library books, lunch charges and fines must be cleared before the school will release records to another school.
