

#Building our Future

Construction Update: Week ending November 17, 2017:
 Started structural steel work in the Athletics wing and concrete block walls in STEAM wing. Prep began for concrete slab pours in Admin and 5/6 and 7/8 wings. Work continues on concrete block walls in Gym, exterior framing in 5/6 wing and placement of structural steel in the STEAM wing.

At far left, structural steel work in progress in 7/8 classroom wing while work on exterior wall framing continues in 5/6 classroom wing (at right).

Level 2 of Media Center.

Structural steel at STEM classrooms.
