Engage: Naviance a District-wide Approach

Naviance is a district-wide comprehensive Career and College Readiness planning tool for students in grades 6-12. Naviance helps students align their strengths and interests to their post-secondary goals to improve student success.

Inspire: Making Connections with High School & Beyond Plans

High School and Beyond Plans (HSBP) are a Washington State graduation requirement. HSBPs are designed to help students think about their future and choose course work that prepares them for their goals after high school.

Prepare: Family Connection Helps Parents Engagement in Their Student's Future

Naviance offers a unique way for families to stay engaged with their student's learning, planning, and progress by accessing the system through Family Connections. As a parent or guardian of a Marysville student, you have a voice in the planning of your students academic and career focused course work in high school and beyond.
