## **HARRISON COUNTY PUBLIC SCHOOLS WILL REMAIN IN VIRTUAL/REMOTE LEARNING MODE FOR THE WEEK OF JANUARY 25-29, 2021**

**Cynthiana, Kentucky (January 21, 2021)** - Due to the total number of staff either positive or quarantined and a local incident rate exceeding 100, the Harrison County School District will continue to operate using a Remote / Virtual Learning Mode next week, January 25 - 29.

We will begin conducting in-person Targeted Services on Monday, January 25 and plan on continuing those services for the week of January 25 - 29. For those identified, students and their families should expect communications from their school/teacher regarding the Targeted Services schedule.

If local numbers of new positive cases continue to decline, we will be looking to return to in-person learning using the hybrid model on February 1, 2021.
