Greetings!

We are excited to announce that we are now offering the convenience of online registration through partner company, FamilyID (www.familyid.com).

FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile so you enter your information only once for multiple uses, multiple family members and multiple programs. **Important: If your son or daughter participated in a fall sport and you registered with FamilyID, then you simply need to add the winter program and confirm your information upon signing in.**

BEFORE YOU REGISTER

PHYSICAL EXAMS: A physical exam must be current within the past 13 months and signed by the physician. If the student's physical expires during the season, they will not be able to play until a new physical exam is received.

INFORMATION NEEDED TO REGISTER

It will be helpful to have the following information handy to allow for accurate completion of your online registration.
