

# JUMP INTO JUDSON!

## FAMILY EDITION

January 22, 2021

### We are Back in Person!

It has been so nice to see all the smiles and hear the laughter that fills our hallways and classrooms with our students back in the building! Students and staff members are doing a great job with all the safety precautions that are in place.

The teachers continue to amaze and go above and beyond for their students. The lessons are fun, engaging, and extremely informative. Teachers are being creative with their lesson planning to include the Voluntary Remote Learners at home.

### Valentines

Judson School will be celebrating Valentine's Day on **Friday, February 12, 2021**. If your child so chooses to send in valentines, please have them to school no later than **Friday, February 5<sup>th</sup>**. This way they are able to "quarantine" prior to being passed out to friends. Teachers will make sure that all hands are washed and/or sanitized prior to being passed out.

### STARS Program

We are so excited to institute our monthly STAR Assemblies once again! This is similar to what has been done in the past, only this year, virtual! Each month, two students from each grade will be chosen as Star Students. Our specials team will also pick one student per grade level for those who are shining in specials classes!

Students will also be able to earn daily star points in their classrooms for participation, effort, and work completion. Students are able to cash in their star points for fun and exciting rewards! They can either cash them in early and enjoy extra recess or extra game time in their classroom, or they can bank them and be the Assistant Principal or Safety Patrol!

Students will learn more about this next week from their teacher!

### Welcome Mrs. Graziano!

On Tuesday, January 19, 2021, Mary Graziano joined Judson as our new building intern from the University of Bridgeport. Mary comes to us with a wealth of knowledge from a previous career and very excited to jump into the world of education. We are so happy to have her at Judson!

### Family Communication

I continue to make family phone calls each week to say hello! If you have a question, concern, or suggestion, please don't hesitate to reach out to me. I'm always happy talk!

### Upcoming Events

Monday, January 25, 2021	Board of Education Meeting
Wednesday, January 27, 2021	Single Session Day
