School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Welcome Back Parents and Students for the 2020-2021 school year. A special welcome to the new families joining our Coyote school community.

At KCES, we believe our students are "Today's Learners, Tomorrow's Leaders." Kettleman City Elementary is an outstanding place for students to learn new concepts and skills from an excellent and dedicated team of educators. We look forward to your support as parents and participating in your child's education and in our school. This year certainly looks different from any year prior; with the current pandemic, most of the instruction and learning is taking place in virtual classrooms or utilizing "distance learning". This makes communication and support between parents and our school even that much more important-together, we can help each child continue to learn and be successful.

We need our students to honor our Coyote Core Values each day; our core values are:

Be Ready to Learn

Responsible with behavior and academics

Respectful of all people and property

Kind with your words and actions

Remember to IMAGINE, BELIEVE and ACHIEVE!

We look forward to another great year in Coyote Country-together, let's make it the best one yet!

GO COYOTES!

Kristi A. Castillo

Principal

School Mission: We commit to developing confident, resilient lifelong learners by providing rigorous, collaborative instruction and supporting our students to always give their best effort in a safe and caring environment. KCES is committed to providing a rigorous, inspiring and nurturing educational program.

School Description

Reef-Sunset Unified School District is located in the cities of Avenal and Kettleman City which are situated on the coastal range foothills in the Western San Joaquin Valley in Kings County. More than 2,600 students in grades TK-12 receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of three elementary schools, one junior high school, one comprehensive high school, two continuation high schools, and one secondary community day school. Kettleman City Elementary School is centered in Kettleman City, approximately 18 miles southeast of Avenal. The elementary school currently serves students in grades TK-8. At the beginning of the 2020-2021 school year, 264 students were enrolled, including .06% receiving special education services, 52.4% qualifying for English Learner support, and 98.2% socioeconomically disadvantaged.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 2019/08

All textbooks used in the core curriculum throughout Reef-Sunset Unified School District are being aligned to the Common Core State Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are standards-based and approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in a foreign language, visual and performing arts, and health. District textbook review and adoption activities occur the year following the state's adoption.

On September 19, 2019, the Reef-Sunset Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #2019:12 which certifies as required by Education Code §60119 that (1) textbooks and instructional materials were provided to all students, including English learners, in the district, (2) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (3) textbooks and instructional materials are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, language arts, social studies, and science, (4) sufficient textbooks or instructional materials were provided to each student enrolled in foreign language or health classes, and (5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9 to 12, inclusive.

In addition to the core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for its visual/performing arts curricula. During the 2019-2020 school year, Reef-Sunset Unified School District provided all students enrolled in a visual/ performing arts class with their own textbook or supplemental materials to use in class and to take home. These materials comply with the Common Core State Standards.

School Facility Conditions and Planned Improvements

Facilities Profile

Kettleman City Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school buildings were constructed in 1930; ongoing maintenance ensures school facilities are kept safe and in good working condition and continue to provide adequate space for students and staff. Between 1949 and 1997, additional classrooms and buildings were added to accommodate growth in enrollment. The most recent addition to the campus was a gymnasium which was completed in 2002.

2020-2021 Campus Improvements:

- New A/C units in two classrooms and library-Fall of 2020
- Repaving basketball courts and new outdoor soccer area-Fall of 2020
- Additional safety lighting added to basketball courts-Fall of 2020
- Replaced lighting in kinder play area-Fall of 2020
- New carpet in Wing 1-August 2019.
- Fire alarm system update-completed Fall of 2020
- Rekeying of campus locks and doors-completed Spring of 2020
- Replaced serving counter in cafeteria-Summer of 2020.
- Repainted exterior windows of cafeteria-Fall of 2020.

Facilities Maintenance

School custodial staff and the district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Maintenance and Operations (M&O) employs a work order process enabling school staff to communicate unscheduled maintenance needs, urgent repairs, or special projects. Teachers and school staff forward requests for unscheduled projects and special requests to the custodian who prepares and submits a formal work order to M&O for resolution. Emergency situations are immediately resolved either by the school custodian or district maintenance staff.

Two full-time day custodian, one part-time day custodian, and one full-time afternoon custodians are assigned to Kettleman City Elementary School and work closely with the principal to manage routine maintenance, daily custodial duties, and special events. The principal and lead custodian communicate daily concerning cleaning needs and safety issues. On a weekly basis, the principal and custodian meet formally and informally to address school events preparation, housekeeping needs, and maintenance projects. Every morning before school begins, the day custodian inspects facilities for safety hazards, graffiti, or other conditions that require removal prior to students and staff entering school grounds. Custodians are responsible for the general cleaning of restrooms, classrooms, hallways, office areas, landscaping, and cafeteria setup. The day custodian inspects restrooms throughout the school day as a proactive measure to keep restrooms adequately stocked, safe, and sanitary. Additionally, during the current pandemic, special measures are taken to ensure each working area is sanitized to standard daily, as well as having an adequate amount of personal protective equipment (PPE) available for both staff and students.

School Inspections

Kettleman City Elementary School works closely with M&O for larger projects, routine facilities maintenance projects, and school inspections. The most recent facilities inspection at Kettleman City Elementary School took place in September 2020. Schools are required by state law to report the condition of their facilities; the School Site Inspection table illustrated in this report identifies the state-required inspection areas and discloses the operational status in each of those areas. During the 2019-2020 school, 100% of student restrooms were fully operational and available for student use at all times and we anticipate the same for 2020-2021, with schedules and the amount of students on campus modified due to COVID 19.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	19	N/A	15	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

When health and safety regulations allow for it to take place, parents are encouraged to volunteer on campus, attend school events, and get involved in the decision-making process through school committees. Our school team welcomes parent support with student academics, and schoolwide activities. The School Site Council, English Learner Advisory Council, Back to School Night, Open House, sports events, student recognition celebrations, Parent Education Workshops, and student performances are examples of the many opportunities available to parents who want to get involved with their child’s educational experiences. Parents who want more information on school activities or committees may contact the school at (559) 386-5702.

All school-to-home communication is provided in English and Spanish. The school newsletter (the community bulletin) is published monthly and features school safety tips, the school calendar, daily lunch menus, and student recognition announcements. Occasional flyers, the school marquee, the daily Coyote Howler, and the school website are used to keep parents up to date on important announcements, dates, and reminders. Parents may access the Parent Portal (Aeries), an Internet-based student information system, to securely obtain their student’s grades, attendance record, academic progress, and teacher contact data; a link is available on the district’s website home page at www.rsusd.net.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	7.1	3.9	7.0	5.6	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	14	134	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Site Safety Plan was developed for Kettleman City Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The most current school site safety plan was reviewed, updated in December 2020 and will be shared with school staff in January 2021. Current updates include alignment to COVID 19 protocols for safety.

Campus culture promotes a secure learning environment that encourages mutual respect, safe and healthy relationships, dignity, and equality. Bullying and harassment are not tolerated. The district has employed policies, procedures, and practices to reduce and eliminate bullying and harassment as well as the means to address such incidents when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Types of Services Funded (Fiscal Year 2019-2020)

Expenditures Per Student

For the 2019-2020 school year, the Reef-Sunset Unified School District allocated funds based on per-pupil expenses to educate each student. These funds are based on 2019-2020 audited financial statements and in accordance with calculations defined in Education Code §41372. The table in this report (1) compares the school's per-pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and (2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Reef-Sunset Unified School District receives state and federal categorical funding for special programs. For the 2018-19 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

- After School Education program through West Hills Community Collage
- Agricultural Career Technical Education Incentive
- Career Technical Education Incentive Grant Program
- College Readiness Block Grant
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other Local: Locally Defined
- Partnership Academies Program
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Title I, II, III
- Vocational Program

Staff Development

Staff development concentrations are selected and identified based on student performance on district formative and state assessments, student assessments, new adoptions, English Language Learner students, IReady data, Common Core State Standards, and federal grant requirements.

During the 2019-2020 school year, Reef Sunset Unified School District held district-sponsored staff development days that focused on the following topics:

2019-2020

- Kagan
- Core: Reading/English Language Arts; Mathematics; Social Science
- NGSS (Science)
- Writing
- ELD
- Social-Emotional Learning
- Mandated Reporting
- Sexual Harassment Training
- Professional Learning Community: Data Review; Set School Year Goals; Data; Pacing Guides; Lesson Design (Ongoing)

FCOE representatives worked with the principal and teaching staff to develop an effective classroom observation/self-assessment system to evaluate daily instructional practices. Following a highly structured rubric, classroom observations address the teacher's use of employing state standards instruction and instructional strategies techniques. Observation results are used to identify individual and schoolwide strengths and weaknesses in delivering lessons that successfully convey course content and concepts. The district supports ongoing staff training for new teachers and teachers new to the district. At the beginning of each school year, the district conducts a training session covering the math and language arts curricula. During the school year, teachers receive follow-up training at the county office location in Kings County and other neighboring districts and county agencies.

Reef-Sunset Unified School District and the Kings County Office of Education jointly support new and veteran teachers in developing their teaching skills. New Teacher Induction (NTI), a state-accredited program, is designed for first- and second-year preliminary credentialed teachers and provides skills assistance over a two-year period. Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by neighboring county offices of education. Long-term substitutes who are actively teaching in the classroom are expected to participate in Wednesday staff meetings and training activities. The classified support staff is provided job-related training from vendors, department supervisors, and professional agencies.

Site-Based Staff Development

On weekly early release Wednesdays, Kettleman City Elementary School's teachers engage in staff development activities to support new and ongoing program implementation, participate in teacher collaboration, and discuss the best teaching practices and instructional strategies to improve student achievement. The school leadership team and all staff members work as a collaborative unit to identify teacher training needs to improve classroom instruction based upon analysis of student assessment results on state assessments, district benchmarks, formative assessments, and staff surveys. During the 2019-2020 school year, staff training concentrations included:

- Smarty Ants
- Critical Words and Lesson and Language Objectives
- Beyond SST system
- Legislative Updates
- Fred Jones strategies
- Next Generation Science Standards
- ELD Curriculum
- ELD Standards
- Google Classroom
- Orton Gillingham Intervention
- KAGAN Strategies
