additional school security cameras for
Mason County Central Schools.

HOW IT WORKS

There will be 20 sheets to choose from and each sheet will have room for 15 names. Buy a ticket, tell us which sheet you want your name on and when the sheets are full (300 tickets sold) there will be a drawing of ONE ticket from the 300. That winner will receive a prize along with all 14 other names on their sheet.
