SHERIDAN SCHOOL DISTRICT
Inspire. Empower. Serve.

SSD Families:

Valentine's Day is just around the corner. While Valentine's Day falls on a Sunday this year, we understand some parents may still want to send a Valentine's Day gift to school for their children on the Thursday or Friday before Valentine's Day. Please keep in mind that in order to prevent the spread of COVID-19 we are still only allowing visitors on campus for official school business. Therefore, we ask that you do not send deliveries to our campuses. Instead, you might consider surprising your child with your Valentine's Day gift when he or she wakes up in the morning. You might enjoy taking a photo -- and perhaps posting the photo to social media -- to document the special moment. Also, please note that we are asking students to refrain from exchanging Valentine's Day gifts at school.

PK - 5 Valentine's Day Celebrations:

Since we are still in the middle of the pandemic, we will be celebrating Valentine's Day a little differently on campus this year. We will not be hosting the typical parties where we invite parents into our classrooms and students exchange Valentine's Day cards and candy they brought from home. Instead our district will provide a Valentine's Day treat for each student. Instead of students exchanging Valentine's Day cards, our teachers will facilitate the exchange of positive affirmations that promote kindness and friendship among students.

Thank you for your cooperation and understanding. We hope you can see that even with these adjustments we still intend to honor the heart of the Valentine's Day traditions by promoting kindness, love, and friendship.
