

**STATE WRESTLING TOURNAMENT
FEBRUARY 25-27, 2021
Rushmore Plaza Civic Center, Rapid City
Advance Reserved Tickets**

Reserved and Student General Admission tickets are once again available in advance of the State Wrestling Tournament this year. This year's tournament will look a little different than it has in the past. Tickets are "all-tournament" tickets, valid for every session, but Class "A" and Class "B" will be located in different arenas. Before purchasing a ticket, fans should be aware of the following information:

- **ALL SPECTATORS MUST WEAR A MASK! Failure to abide by this regulation will result in removal from the facility for the duration of the event.**
- All adult tickets are sold as "reserved seating." **Due to Covid-19, anyone with a reserved ticket must sit in their assigned seat. Failure to comply will result in removal from the facility for the remainder of the event.**
- Student General Admission tickets allow students to sit in the student section. If a student wishes to sit in another section, they must purchase a reserved seat at the full price.
- All rounds of Class A wrestling will take place in the Ice Arena. Class B will occur in the Barnett Arena (the main civic center arena). Tickets are specific to class. Tickets purchased through the Garretson School District will be class B tickets, unless you specify that you would like a Class A ticket in addition to the class B.
- There are no refunds for tickets purchased.

ORDERS ARE DUE IN THE SCHOOL OFFICE NO LATER THAN Noon, February 1, 2021.

The order will be mailed to the Rushmore Plaza Civic Center box office on Monday, February 1.
