PREVENT OPIOID OVERDOSE, SAVE LIVES

In case of overdose, use naloxone

**FREE TRAINING via WEBEX and NALOXONE NASAL
SPRAY KITS SHIPPED**

RWJMS and the Division of Mental Health and Addiction Services
have partnered together to offer the following **FREE** activities and
services:

Online Trainings

Due to recent restrictions, in-person Naloxone training is now transitioned to online via WEBEX. Sit for the live presentation from home by clicking a link and after the Webex, the kits will be shipped out via UPS.

Distribution of FREE naloxone kits for training attendees, including family members, friends, professionals and individuals who are at risk or could be in the presence of someone who is at risk for an overdose

Trainings of overdose death prevention strategies including the appropriate administration of naloxone and rescue breathing

Able to schedule trainings on short notice to prevent opioid overdoses in communities most in need

If you have any questions regarding any of these services, contact:
