Soulsbyville Elementary
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest
DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard
The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Soulsbyville School is a TK-8 single school district with approximately 480 students, 74 staff members, (32 certificated personnel, including regular and special education teachers, administrators, a music instructor, highly qualified paraprofessionals) and about 320 families. It is located in Tuolumne County in a rural mountainous, unincorporated area. Most of our students are bused to school from dissimilar housing subdivisions and land parcels. The population has a range of 0-10 Limited English Speaking students. In spite of the diverse socioeconomic backgrounds from which they come, students interact very positively with one another at school. Our student population blends together with minimal friction based on social, cultural, or economic prejudice.

Our Mission Statement
Our mission is to cultivate excellence: by challenging our students, staff, and school community to reach their maximum potential; by using innovative, enlightening curriculum and educational programs with reliable infrastructure; and by providing technology-embedded instruction across content areas. In nurturing excellence, we develop learners who are productive workers, effective communicators, resourceful thinkers, and responsive citizens.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

When Covid-19 safety protocols allow, there are opportunities provided for parents to actively participate in the education process with their children. PTO and staff sponsor multiple occasions for parent participation such as; manning fundraising events like our annual Jog-a-thon, our SCRIP program, and our annual spaghetti feed dinner; or contributing to the success of our school functions like dances, sporting events, STEM Expo and History Fair. Parents are especially welcome as chaperones on the many extended field studies taken by each grade level. Grandparents also volunteer in these activities and are honored in May at a special school-wide Grandparents' Day celebration. Our School SITE Council is very involved in maintaining a positive climate, administering student and parent surveys, and collecting input for our LCAP.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions
(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.9	2.9	2.9	2.9	3.5	3.5
Expulsions	0.4	0.0	0.4	0.0	0.10	0.10

Suspensions and Expulsions for School Year 2019-2020 Only
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.01	0.01	N/A
Expulsions	0	0	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

School Safety and Climate for Learning

Soulsbyville School conducts an annual Climate Survey through the Site Council. We have board policy ensuring that both normal and emergency operations and procedures are carried out effectively. Soulsbyville School has worked hard to establish and maintain a safe school climate.

Soulsbyville maintains a strong School Safety Plan - formulated with input from various law and service agencies throughout the county which is updated annually. We have a discipline policy and procedures in place. All areas of the campus are carefully monitored with both personnel and surveillance equipment. All visitors are required to report to the office, sign in, and wear visitor badges. We believe that students who have regular opportunities to receive recognition and know the limits and consequences of inappropriate behavior perform better academically and socially. In following through with this belief, we have developed an extensive recognition/reward system and have a written set of rules and consequences for misbehavior. All staff members are committed to maintaining a safe and positive learning environment and are trained in a wide variety of classroom management techniques. Students are expected to attend school regularly and keep at least a 2.0 academic and citizenship GPA to meet graduation requirements.

Our maintenance supervisor does monthy reviews of the facilities and reports to the Board quarterly. The Safety Plan is revised annually by the Site Council and adopted annually by the School Board.

The continued focus of our staff development has been on fostering effective classroom management and procedural strategies, technology integration, Smarter Balance Assessment analysis and preparation, and curriculum adoption training. This year we've also been concentrating on PBIS (Positive Behavior Interventions & Supports) and UDL (Universal Designs for Learning). In addition, individual teachers are encouraged to seek out training and continuing education opportunities relevant to their current teaching assignment and class structure. Other training opportunities are made available to and may include all support staff.
