

January 28, 2021

Dear Union Township Schools families and colleagues:

As promised, we wanted to reach out and let you know of our current status for our Middle School and High School students' return to in-person instruction on Monday, February 1st.

We are pleased to announce that with our decline of district Covid cases, as well as, the close contacts' clearance to return, **we will be moving back to our in person instruction for Union Township Middle School and Wheeler High School on Monday, February 1st.** We appreciate the flexibility we have been afforded to allow for intense room cleanings and complete separation from student/staff gatherings, while still being able to deliver instruction.

We look forward to seeing the students on Monday morning and would like to thank our school educators as well as our parents who demonstrated flexibility and grace throughout the past week. As a reminder, if your child(ren) were previously utilizing the virtual option for our schools, they will still be able to continue that, unless you notify their school office to request a change of status.

Please continue to adhere to the Porter County's Covid recommendations as we navigate through the remainder of the school year and, equally, please stay healthy and safe.

Sincerely,

Jack Birmingham
Assistant Superintendent
