- 4 year old Preschool students are required to take the Peep State Assessment. This assessment can only be given within two weeks prior to the first day of school. Peep Assessment dates are listed above.

- All preschool students will be given additional assessments throughout the year. These assessments are used to monitor student progress and guide instructional strategies throughout the year.

- We understand that students and parents need to have the security and comfort of knowing who their child’s teacher will be for the upcoming school year. To alleviate anxiety and concerns there will be a preschool Back to School Night/Orientation. (date will be announced at a later time.)

- Notification of class placement will be by email and or phone call. **Space is limited, unfortunately everyone will not be accepted into the program.** To ensure your child is eligible for acceptance into the program, all registration must be completed prior to placement.

Please remember in order to have your child attend school in the District we need the following: Birth certificate, immunization records, proof of residency, and complete online pre-registration
