

HUENEME ELEMENTARY SCHOOL DISTRICT

Dear HESD Families and Staff,

Several schools are reporting a loss of power and access to the District network. In the event students and teachers are unable to connect online today, January 29, 2021 students are encouraged to check SeeSaw or Google Classroom, when able, for asynchronous assignments and messages.

Teachers, plan to incorporate asynchronous lessons in lieu of synchronous lessons in the event you are unable to connect with your students today. Please contact your site administrator if you are unable to connect online.

Estimadas familias y personal de HESD:

Varias escuelas nos han informado de una pérdida de energía y acceso a la red del Distrito. En caso de que los estudiantes y los maestros no puedan conectarse en línea hoy, 29 de enero de 2021, se recomienda a los estudiantes que consulten SeeSaw o Google Classroom, cuando sea posible, para ver las asignaciones y mensajes asincrónicos.
