

January 29, 2021

Hello Crosby Families

We are excited the second semester is off and running! We look forward to welcoming all of our faculty and staff back to the building beginning Monday, February 1.

Over the next month, you will receive weekly information updating you about the changes taking place at Crosby Elementary School. We have started the process of bringing small groups of students into the building for instruction. This process is ongoing, and we look forward to inviting more small groups of students back into the building over the next few weeks as we work toward reopening by March 15, 2021.

We are considering bringing our Kindergarten students back to the building first as they are already in classes with low numbers. We are close to having the details worked out, and we will share the plan with you as soon as it is finalized.

### **RETURN TO SCHOOL PRELIMINARY SURVEY**

In the coming weeks, you will receive a Return to School survey, which will help us better understand the number of students who may be interested in returning to the school building. This first survey is not binding and will be used for planning purposes only. You will receive a second survey at a later date to finalize your preference.

### **WHAT ABOUT WEDNESDAYS?**

All Crosby students will be remote on Wednesdays and will attend their assigned homeroom virtually. This is the Morning Meeting with their classroom teacher and will include the Pledge of Allegiance, our Crosby song, attendance, our SEL check-in, and time for students to reconnect with their teacher and classmates. Teachers will share the schedule for the asynchronous work for the day at this time. After homeroom, students should use the time to work on assignments, projects, or they may have interventions, related services, or specials.

Take care and be well,

Kathleen Ferguson
