

Memorial PTA February Highlights

Message From the board:

We hope you are all staying safe and well. We look forward to the days where we can safely see you all again. Due to the weather today, 2/1/2021, we have to cancel our meeting, however we wanted to send this little newsletter to keep you all updated on what we are doing to stay active.

Membership: If you have not already joined the PTA, below are some reasons why and ways to join:

Why join- you ask. While a portion of your membership does go to the state level of the PTA which handles things like legislation, the remaining portion of your membership fee stays with Memorial. Throughout the year we sponsor student activities such as assemblies, scholarships for 2 Memorial alumnis, yearbooks for our 5th graders. In the past as well we also sponsored class trips, grants for classrooms, rock wall at the school, field day snacks, and more. Joining the PTA shows that you support the organization and opens opportunities for you to be part of your students' school.

You have 3 ways of joining. And the cost is only \$7.00 per adult.

1.Drop cash or check in our locked mailbox right outside the school, please label Membership and leave us a paper with your name, student's name and teacher, and contact info.

2.Use our direct website. www.memorialpta.memberhubstore.com

3. PayPal via friends and family - in note put your name, student's name and teacher, and contact info.

Whichever method you use please include the best number to reach you at, your name, email address and who your child's teacher is. Any questions please contact memoriapta@obmemorialpta.com
