

February 1, 2021

Dear Seniors and Parents,

It is getting to be that time of the year to start making plans for your future. Even though you are not attending COU, you are still a part of us! We miss you!

The one thing that has not changed is our interest in your education. The teaching staff and administration at COU would like to continue our tradition of giving the Teacher Scholarship as we have done in past years. It has been decided that we will give out 4 (\$150) scholarships to the top 4 vote getters no matter what college they will be attending, be it a two year or a four year college.

The information to apply for the Faculty Scholarship is on the COU website under documents and scholarships. I've also sent along a copy of the form with this letter. This application will be due by Friday, April 30, 2021. The **two** copies of your application can be given to or sent to the school addressed to Mrs. Brenda Christiansen. The scholarship will be awarded at your school's awards day.

If you are awarded the scholarship it will be given to you and your college at the beginning of your **second semester**. A form will be mailed to you over your Christmas break and you will need to have that form filled out and returned to the school by January 10th. A check will then be made out to you and your college and sent to your college financial department.

We wish you all the success as your senior year comes to an end!

Sincerely,  
Mrs. Brenda Christiansen and the COU Faculty
