**Health & Wellness Committee Report-12/2/20**

1. Our East Bay Tobacco Youth Council is beginning the next grant year. They have plans to create a brochure on Vaping and COVID, create a parent survey on vaping, and attend virtual trainings during the next several months.
2. We are working with Barrington Police to conduct compliance checks in December. They were conducted in November will all establishments passing.
3. We have had our first virtual Youth Awareness Class which went incredibly well with 4 youth. This will allow much more flexibility in scheduling.
4. We have launched our new website, "Raise Your Hand". Parents will be able to email questions that will be answered in a blog form by student assistance counselors, social workers.
5. The coalition will be creating "Happy Mail" for teachers and administrators. These are simply postcards with a note of encouragement.
6. Our next BAY Team meeting is Monday, 12/7, 9:00am-Zoom
