Re: No Bus #7 on Friday, 2/5/21

Dear Bus #7 Families:

Currently, Reed City Area Public Schools does not have a substitute driver for Bus #7 on Friday, 2/5/21. **Bus #7 will not run on Friday.** No driver is currently quarantined because of being a positive Covid-19 case or a close contact, we simply do not have a substitute to drive the route. Parents will need to make alternate arrangements for transportation to and from school on Friday. As soon as information is known regarding whether the driver shortage will continue into next week, contact with families will be made.

Please continue to monitor your students for symptoms that are new, different, or worse from baseline of any chronic illness. The safety, health, and well-being of our staff, students, and community will continue to be our priority.

Reminder to All - Please Stay Home If You Are Sick

Students with any of the following symptoms (new/different/worse from baseline of any chronic illness) should stay home:

- Temperature of 100.4 and above or signs of fever (chills/sweating)
- Sore throat
- New uncontrolled cough that causes difficulty breathing
- Diarrhea, vomiting, or abdominal pain
- New onset of severe headache

Sincerely,

Michael L. Sweet
Superintendent
