LANCASTER YOUTH FENCE

Upon motion by Roy M. Wilson and second by Clyde Townsend the Board adopted the following resolution:

Resolution Recommending Security Fence Enclosing Lancaster Youth Development Center, Near Trenton, Florida

WHEREAS, this Board is concerned with education and development of the youth of Gilchrist County; and,

WHEREAS, this Board believes discipline is the first ingredient in providing an educational opportunity for all youth, and that to administer discipline the authority must have facilities for the control of the youth to be disciplined and trained.

NOW, THEREFORE, be it resolved by the School Board of Gilchrist County, Florida, as follows:

1. This Board is aware of many of the problems at the Lancaster Youth Development Center, near Trenton, Florida. The Board believes that the youth at that Center can best be disciplined and developed into useful citizens by having the required facilities for control of the youth. Therefore, this Board recommends and supports the construction of a security fence enclosing the Lancaster Youth Development Center, near Trenton, Florida so that the objectives of the State of Florida can be achieved in teaching the youth discipline and in giving them the training they need to be useful citizens.
2. The Board adopts this Resolution because it is concerned for the safety of the youth of the Center who escape into the surrounding territory, and who may be injured in attempting to take a vehicle to continue their escape from the Center. The Board also believes that the citizens and residents of the surrounding area are entitled to protection from the youth of the Center who are there because they have committed crimes and are considered the most dangerous youth offenders.
3. The Secretary is authorized and directed to furnish copies of this Resolution to the Representative and Senator of the district in which Gilchrist County is located, and to any other members of the Florida Legislature interested in the Lancaster Youth Development Center.

There being no further business, the Board adjourned.
