Additional Info:

1. Every effort will be made to keep students at their home schools. The numbers of kindergarten classrooms at each school will determine the maximum number of students who can attend their home school.
2. Kennedy Park School #24, located off Middlesex Ave in Iselin, will be the overflow school. Any kindergarten students who are not assigned to their home school will attend Kennedy Park School #24. They will return to their home school the following year and continue for grades 1-5.
3. School assignment will not be finalized until registration is completed.
4. Factors considered in assigning which kindergarten students attend their home schools:
 - a. Capacity of kindergarten classrooms at the school
 - b. Number of kindergarten students who register
 - c. Siblings in the school
 - d. Walkers v. bussed students
 - e. Late registration—students who register late will have less of a chance of attending their home school (depending on the school). Assignment to home school is NOT first come, first serve.
5. Before and after care will be offered at Kennedy Park School #24.
6. You will be contacted by your home school if any additional info is needed, such as medical, academic, or ELL.
7. You can find your home school and transportation info by entering your address at: <http://trans.woodbridge.k12.nj.us/livewq/webquery/>. This link is found on our district website. Look on “Explore”, select “Our District”, and select “Transportation.” Then click the “Edulog WebQuery” picture.
