

IN LIEU OF MINUTES FOR THE 2020 MEETING OF KITTITAS PUBLIC SCHOOLS FOUNDATION

Given current conditions and restrictions, the Board decided not to hold a meeting this fall, instead approving mini-grant applications via phone and emails. The following applications were reviewed and approved:

Two addition applications were received in January 2021 requesting funds for athletic projects. One was a request for \$2,657.87 to replace track and field equipment and the other was a request for \$4,292.58 to cover the cost of football helmet recertification and purchase of 8 new helmets. Again, given the prohibition on public meetings and the availability of funds, the board reviewed the applications via emails and phone calls and approved both requests.
