

# JUMP INTO JUDSON!

## FAMILY EDITION

February 5, 2021

### February Fun Fridays!

Judson's Student Council has planned some fun events for each Friday in the month of February. It will kick off on Friday, February 5<sup>th</sup> with Champion Sports Day! February 12<sup>th</sup> will be Valentine Color Day, February 19<sup>th</sup> will be Red, White, and Blue Day (in honor of President's Day), and Twin Day on February 26<sup>th</sup>! This will certainly help us get through the winter blues!

### St. Jude Children's Research Hospital Math-A-Thon

Judson Elementary School students are joining St. Jude Children's Research Hospital in the fight against childhood cancer by participating in a St. Jude Math-A-Thon. This wonderful event helps kids refine their academic skills while teaching them that they have the power to help others. The Math-A-Thon concludes on March 17, 2021.

### iReady Assessment

We are preparing for our next iReady diagnostic testing. The window opens on February 17<sup>th</sup> until Friday the 26<sup>th</sup>. Through analyzing this valuable data, we are able to create our WIN (What I Need) groups and provide interventions and enrichment activities to reach all our learners. A huge thank you to Mrs. Cheezic for getting this all up and running for our teachers!

### Peek into the Classrooms

Our 3<sup>rd</sup> graders have been working really hard on some pretty difficult skills such as perseverance and empathy during their Morning Meetings. They also are developing a growth mindset. Some things take practice, but through perseverance, we know that we will get there!

In honor of Black History Month, our 4<sup>th</sup> graders are learning about African American mathematicians. They are also beginning to work on creating Non-Fiction writing pieces.

5<sup>th</sup> graders are hard at work and deep into a unit of fractions. Multiplying, dividing, adding, and even simplifying fractions! They are also having a lot of fun creating persuasive writing pieces.
