

Dear Judson Families,

Judson Elementary School students are joining St. Jude Children's Research Hospital* in the fight against childhood cancer by participating in a St. Jude Math-A-Thon.

*Families never receive a bill from St. Jude for treatment, travel, housing, or food-because all a family should worry about is helping their child live. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20% when the hospital opened in 1962 to more than 80% today. Because the majority of St. Jude funding comes from individual contributors, St. Jude has the freedom to focus on what matters most-saving kids regardless of their financial situation.

This wonderful event helps kids refine their academic skills while teaching them that they have the power to help others.

Your involvement is a big part of making this program a success, and participation is easy:

REGISTER here:

https://fundraising.stjude.org/site/TR/Events/Events?pg=entry&fr_id=125053

SHARE via email and on social media using **@stjude** and **#stjudemathathon**

TRACK your progress

- Encourage friends and family members to donate online
- Log any offline donations (cash and checks) in your online fundraising center to receive credit toward prizes

EARN prizes!

- Return offline donations (checks only) to your child's homeroom teacher
- Select your prizes via the link emailed to you post event

DO THE MATH

- Students who participate will complete the Math-A-Thon Fun Booklet provided by the event coordinator

Donations due by March 17th

If you have any questions, please contact Katie Washburn(Event Coordinator) washburnka@watertownps.org

Thank you for helping your child help other children.
