Issued to _____

Date(s) of Birth _____

May list all members _____

of a single family _____

Standing Order

NGSD 66 staff trained in accordance with CDC, IDPH, and LHD guidelines may administer the Abbott BinaxNow rapid result antigen test to the above-named individual(s). This Standing Order shall remain in effect through the end of the 2020-21 school year.

Qualifications and Requirements in Connection with Standing Order

The District has obtained a CLIA Certificate of Waiver and will administer tests in compliance with all applicable rules and regulations of the FDA, CDC, IDPH, and LHD. Tests are federally provided and obtained by the District through the LHD. The District will adhere to all HIPAA, FERPA, and ADA applicable laws and regulations.

All testing is offered on a voluntary basis. Students must have on file written consent from parent/guardian.

Each positive and negative result will be sent to the IDPH reporting system within 24 hours of test administration, to the LHD, to the above-named physician, as well as to the individual tested (or parent/guardian as appropriate).

In compliance with the FDA Emergency Use Authorization, this rapid antigen test will be offered to symptomatic students and staff of Newark Grade School District 66.

Provider Notification

A Healthcare Provider Report form will include test results, as well as additional information including reported symptoms, exposures, and current area metrics.

Please include preferred method of communicating test results to the healthcare provider (e.g. email or fax #)

Is there any additional information required or requested by the Provider?

Please contact us if you have further questions.
