February 1, 2021

Dear Parent/Guardian:

Richmond Heights Secondary School will be hosting a College Credit Plus Q&A Session on **Thursday, February 11th**, at 6:00 PM via Zoom. Please review the attached PowerPoint providing you details regarding the CCP Program. A representative from Tri-C and Lakeland Community College will be available for you to ask questions and get more information on the application process to their institutions.

The College Credit Plus program will be offered to all students in grades 7-12 who meet the requirements for the 2021-2022 school year. Students will be given the opportunity to take classes at eligible Post-Secondary institutions. Richmond Heights has partnered with Cuyahoga Community College, Lakeland Community College, and Cleveland State University as their Post-Secondary Institutions. The purpose of the program is to provide rigorous academic pursuits and to provide a wider variety of options to high school students. Students will receive high school and college credit for all courses taken through the College Credit Plus Program.

The College Credit Plus meeting will explain how the program works and highlight the benefits and potential risks associated with participating in College Credit Plus through Richmond Heights Secondary School. Students who are interested in applying for the 2021-2022 school year must attend with at least one parent. This is an excellent opportunity for students who have the interest and ability to take college level courses in conjunction with Richmond Heights Secondary School curriculum.

Sincerely,

Candice Meintel
School Counselor
Richmond Heights Secondary School
