

Hawkswood School

TRANSFORMING LIVES, EVERYDAY

February 7, 2021

Dear Hawkswood Community member,

Please be advised that tomorrow, Monday, February 8, 2021, Hawkswood School will pivot to all remote instruction for the day.

We are operating remotely tomorrow as we await guidance from the NJ Department of Health. There have been positive cases of COVID-19 reported in our community over the past few days, so we are acting out of an abundance of caution.

At this point, we have made this decision solely for Monday, February 8th, 2021 regardless of any inclement weather.

We will update you tomorrow on our future plans.

Wishing you all the best

Sincerely,

Andrew J. Orefice, Ed.D.
Principal
