🌱 = Also hosting a potting party at NSEA 🌍 = Earth Day!

Registration required: www.n-sea.org/work-parties

Space is limited to keep our community safe during the COVID-19 pandemic.

Why restore salmon habitat?

As a keystone species, salmon support over 137 different species and are essential to our local economy and culture.

Riparian restoration provides salmon with water that is

Cold ❄️ Clean 🐝 Clear

Tools, gloves, and instructions provided - no previous experience necessary! Volunteers under 18 years old must bring a Youth Liability Form, available through registration. Minors under 14 years old must also be accompanied by an adult.

The Nooksack Salmon Enhancement Association educates, inspires, and engages the community to take action to keep wild salmon here for future generations. Questions? Contact Sarah Brown, sbrown@n-sea.org, 360-312-3235.
