

This Friday is Judson School's Snowman Day!

Let's join together and have
SNOW much FUN!

On Friday, February 12th (snow date Wednesday the 17th) each grade level will have a turn to go outside on the field, play in the snow, and build **snow people** together with friends!

To prepare for this special event, please bring snow pants, boots, mittens, and a hat to school in a bag with your name on it this Friday!
